Congo Unity Talks Sought

U.S. Urges Meeting; Fighting Continues

LEOPOLDVILLE, the Congo. (AP) — U.S. Ambassador Edmund A. Gullion today flew to meet Moise Tshombe and hoped to bring the Katanga president back for unity talks with Congo Premier Cyrille Adoula.

Gullion took off at daybreak in a U.S. Air Force Constellation as President Kennedy's personal peace envoy.

One report from Elisabethville said Tshombe was still inside his heavily defended official palace in the Katanga capital under siege by U.N. troops only yards away. Other reports placed him in the African district south of Elisabethville.

A press dispatch said a furious battle raged in the streets of Elisabethville when the first U.N. armored patrol pushed into the center of the city. The patrol drew withering fire but was making a steady advance and it seemed the all of the capital was near, the dispatch added.

Earlier reports from the United Nations indicated that the fighting was less intense than in the previous few days.

American officials here said unless Gullion's pilot got definite word that Tshombe was waiting in his capital, the ambassador would land at Ndola, in neighboring Northern Rhodesia, and hope to meet the separatist Katanga leader there.

A delayed report from Associated Press correspondent Dennis Neeld said Tshombe held a news conference at his residence while a battle raged at the bottom of his garden between U.N. and Katanga troops.

Tshombe said he was willing to meet with Adoula but that his soldiers were determined to continue the struggle against the United Nations.

Adoula reportedly agreed to meet Tshombe but Congolese government officials here clearly were in no mood for talks except on their own terms — bringing Katanga back under the wing of the Leopoldville regime.

American officials emphasized that Gullion had no intention of offering Tshombe a cease-fire in his embattled secessionist province as a condition or talks with Adoula.

But the ambassador was empowered — with U.N. approval — to guarantee Tshombe and his party safe passage and protection from arrest should he agree to come to a meeting with Adoula. Kintana, the U.N. military base along the Congo's Atlantic coast, was mentioned as a likely site.

U.N. troops were crushing Katanga resistance in Elisabethville today with only two remaining objectives still needed to give them virtual control of the city — Tshombe's palace and Radio Katanga.

The drive launched by 5,000 U.N. troops has carried into the heart of Elisabethville with a giant pincer movement clamping a vise to isolate the city.

Army Unit Moves Safely

BERLIN (AP) — Another U.S. infantry company rolled westward along the lifeline autobahn from isolated West Berlin today, defying a new Communist demand that American troop movements along the high-way stop.

Capt. Robert R. Rafferty of Huntington, N.Y., led about 120 men and 17 vehicles to the control point on the city limits before daylight today.

The company, moving in three groups, was cleared without a hitch by the Soviet control officers. It was below freezing as the vehicles headed along the 110 miles of ice crusted highway to West Germany.

The unit, Co. C of the 3rd Battle Group, 6th Infantry Regiment, will spend four days in West Germany on field training, the Army said. Then it will return to West Berlin.

The move began less than 36 hours after the Communist regime of East Germany demanded in a formal note that the United States stop sending Army units along the autobahn.

The U.S. government always ignores notes from the East German regime, which the Western powers do not recognize.

High Court Refuses To Order Stay against 'Freedom Riders'

WASHINGTON (AP) — The Supreme Court unanimously refused today to order a stay of proceedings against "Freedom Riders" arrested in Jackson, Miss.

The court acted on a request by the National Association for the Advancement of Colored People, which protested asserted delays in trials and burdens inflicted on the arrested persons "by virtue of the vexatious multiple prosecution program."

The court's action was announced in an order which said that the persons asking that the Jackson proceedings be stayed were apparently not those being prosecuted in Mississippi courts.

Today's action by the high tribunal came one week after it struck down "breach of the peace" convictions of 16 Negro sit-in demonstrators who tried to desegregate lunch counters in Baton Rouge, Louisiana.

That decision last Monday did not decide broad constitutional questions raised in the cases. It was based on the comparatively narrow ground that there was no evidence the defendants breached the peace.

Today's refusal to stay the Jackson proceedings does not necessarily mean the Supreme Court might not act on the cases later, after the state courts act. The Supreme Court's order today commented that "a federal injunction to stay state criminal proceedings is an extraordinary remedy."

The court added: "In addition to the considerations normally attending an application for such relief, a serious question of standing is presented on this motion (for a stay), in that it appears that the movants (those making the motion) themselves are not being prosecuted in the Mississippi Courts. On the record before us, the motion for a stay injunction pending appeal is denied."

The action today resulted from refusal by a three-judge federal court in Mississippi to order a halt to continuing prosecution of Freedom Riders.

The three judge court on Nov. 17 ruled that issues raised by Freedom Riders had to be decided first in state courts.

From this Nov. 17 ruling, the legal defense fund of NAACP appealed to the Supreme Court asking.

Appeal Filed By Attorney For Eichmann

JERUSALEM (AP) — One of Adolf Eichmann's attorneys Sunday filed notice of appeal against the death sentence given the former Gestapo official.

The Israeli Supreme court is expected to start hearings in January on the appeal.

Eichmann's attorneys, Robert Servatius and Dieter Wechtenbruch, are expected to challenge the conviction with the claims that their client was unlawfully returned to Israel, that Israel had no right to try Eichmann for crimes committed before Israel was a state and that the death sentence was not justified.

Eichmann is being held in the prison at Ramleh, 10 miles east of Tel Aviv. He has no contact with any other prisoner and is shackled and handcuffed when he walks in the prison yard.

Officials at the prison said they were constantly on guard to prevent an attempt on Eichmann's life by other prisoners.

NEW YORK (AP) — Moise Tshombe, president of the Congo's secessionist Katanga Province, has accepted an invitation by Young Americans for Freedom to speak at a rally here March 7.

ing that it stay all Jackson proceedings pending a review of the three-judge court ruling.

The NAACP request asserted state prosecutors had refused to agree to a test suit in state appellate courts, with the result that a long delay appeared possible before the highest tribunal could be given an appeal on the merits of the case.

A reply brief filed with the Supreme Court by lawyers for the city of Jackson asserted that they had offered a litigate a test case after the first group of Freedom Riders arrived in the city.

Today's Supreme Court rejection of the stay request turned down a Justice Department contention that a stay should be granted.

The department, in a brief, asserted that "federal abstention at this juncture will result in the virtual suspension in Jackson of federal constitutional rights."

Foul Weather Strikes Most Of Nation

By THE ASSOCIATED PRESS
A variety of weather, mostly miserable, hit wide sections of the nation in a wet and stormy week-end.

The foul weather touched nearly all bases in the climatic cycle—snow, cold, strong winds, rain, sleet, fog, a tornado, thunderstorms and floods. The effects were nearly nationwide.

Freezing rain and fog in many areas in the eastern half of the nation made conditions hazardous for both motorists and pedestrians. Many storm-related deaths, most of them in traffic accidents on slippery highways, were reported, including nine in Iowa, eight in Indiana and two in New England.

Hundreds of persons suffered injuries in auto accidents and in falls on ice-coated streets. Thirty-three persons were injured, none seriously, when a chartered bus skidded off an ice-slicked highway near Lebanon, Pa.

A snowstorm and cold air, powered by strong northerly winds, swept across Idaho into Montana and Wyoming and moved across the northern Rockies into the north central region. The mercury dropped to zero and below from Montana into Minnesota as the arctic air spread into the midlands.

Snow also hit many areas in the West, including parts of Colorado, Utah, Nevada, Arizona, Oregon and Washington. Up to 42 inches of snow covered mountain areas near Flagstaff, Ariz.

Torrential rains drenched areas in the southeast from Alabama and Georgia northeastward to the Appalachians. Thunderstorms rumbled across sections of Louisiana, Mississippi and Alabama. A tornado hit a rural area near Marion, in western Alabama, causing minor property damage. One man suffered minor injuries.

Top Test Scorers Are Announced

COLUMBUS, Ohio (AP) — Jonathan H. Sunshine of Cleveland Heights and Nancy L. Sisson of Sylvania are the top scorers in the general scholarship test given last month to some 23,000 Ohio high school seniors.

State School Supt. E. E. Holt announced Sunday that Sunshine had the highest score among the boys, 254 of a possible 300, while Miss Sisson was highest among the girls with 233.

He said test results will be sent to any college or university at the request of the student tested. Holt claims that college grade averages can be predicted with this test as accurately as through any other national testing programs.

Ashville Firm Is Burglarized

Sheriff and Deputy Apprehend Burglars

Several hours of investigating a burglary of the Scioto Grain Company, Ashville, Saturday proved rewarding for the Pickaway County Sheriff's Department.

Jerry Sullivan, 23, and James Hanning, 31, both of New Albany, are being detained in the county jail today pending a Municipal Court hearing on charges of breaking and entering and grand larceny as a result of the lengthy investigation.

The duo was apprehended with all of the stolen goods late Saturday by Sheriff Walton W. Spangler and Deputy William Pontious following a probe of the burglary which occurred late Friday or early Saturday morning.

Sheriff Spangler reported that about \$425 dollars in new merchandise and tools was taken from the grain company.

THE following was listed by George Dresbach, manager of the company, as missing: two hydraulic jacks, an electric mixer, two electric blankets, four sets of wrenches, a half-inch electric drill, a chain saw, a hack saw and several hand tools.

Also found in the possession of the burglars were several articles taken from a truck parked at the grain company. Gail Waidelich, owner of the truck, said that a chain saw and accessories were taken from his truck late Friday night.

The Sheriff said that the burglars attempted to enter a safe in the office of the grain firm. The succeeded in breaking the combination lock but failed to get access to the inside.

Entry to the building was gained by removing a rear window and unlocking a door.

Bureau of Criminal Investigation officers, London, were called to the scene of the crime to aid in the investigation. Nothing was uncovered by the BCI to aid in the search.

Several auto license numbers were traced for registration, which finally resulted in the apprehension of the burglars and the recovery of the stolen merchandise.

Once Around Roundtown

Local downtown merchants will continue their practice of added hours for the convenience of holiday shoppers this week.

Most stores will remain open until 9 p. m. every night this week, including Wednesday afternoon.

Home and tree decorations for the holiday season consist of everything from colored electric lights to popcorn on a string.

One local family had "living color" BEFORE trimming the Christmas tree Saturday night.

After the tree had been set up, a beautiful multi-colored butterfly flew across the room. The colorful insect is still alive for non-believers.

The ever popular Christmas tune "White Christmas" is beginning to fill the air more each day as we near the final holiday of 1962. "I'm dreaming of a . . ." may be the extent of a white Christmas if recent temperatures ranging from the low 30s to the mid 50s continue this week.

AEC Lists 7th Test

WASHINGTON (AP)—The U.S. Atomic Energy Commission has announced its seventh underground nuclear explosion since the United States began its current series of tests.

Balaguer, whose old ties with the Trujillo regime have brought him under attack, agreed to bow out the minute the Organization of American States lifts diplomatic and economic sanctions imposed on the island republic 16 months ago.

In Washington, the U.S. State Department praised Balaguer's provisional government plan and said, "We consider it to be a most encouraging development."

'Heavy Cold' Slows Kennedy; Short Stay in Florida Due

PALM BEACH, Fla. (AP) — President Kennedy, suffering from "a heavy cold," stopped in Palm Beach today instead of returning directly to Washington from his weekend trip to Latin America.

Press secretary Pierre Salinger said Kennedy's present plan is to leave for Washington Tuesday morning.

Salinger told newsmen that the decision to stay over in Palm Beach was made only this morning, en route to Florida from a refueling stop at Ramey Air Force Base in Puerto Rico.

Salinger used the description "heavy cold" in describing the chief executive's illness.

Navy Capt. George W. Burkle, assistant White House physician, treated Kennedy once during the night. He drove into the estate where the Kennedys are staying about 15 minutes after the Kennedys arrived.

The Air Force jet carrying the presidential party had been scheduled to stop here only long enough to let off Mrs. Kennedy, who was to join her children at Palm Beach for the Christmas holidays.

Kennedy had intended to get together with them on Friday, on his return from a meeting with British Prime Minister Harold Macmillan in Bermuda.

Salinger's announcement that Kennedy's present plan is to continue on to Washington Tuesday indicated the President still expects to keep the date with Macmillan. His schedule has called for a flight from Washington to Bermuda Thursday.

Traces of a cold showed up Sunday night in Bogota as he spoke to a dinner given in honor of the Kennedys by President and Mrs.

Gov. DiSalle Now Expresses Uncertainty

COLUMBUS, Ohio (AP)—Gov. Michael V. DiSalle expressed uncertainty today over his decision against seeking re-election.

Commenting to newsmen on a draft-DiSalle movement, the governor denied claims it was sponsored by so-called self-seeking politicians.

Recalling that soon after his Oct. 20 announcement of non-candidacy he had said he felt it was the right decision, DiSalle observed today: "I don't know. In view of developments, I just don't know."

DiSalle said he has never discussed the draft movement sponsored by Port Clinton publisher Robert Reider and Richard F. Guggenheim of Cincinnati, Civil Rights Commission chairman, both Democrats, and Dale Stump, Columbus attorney, a Republican.

The governor said Reider had done him a service rather than asking anything for himself. He said Guggenheim had refused a cabinet appointment and recently offered his resignation as Civil Rights Commission chairman, which was refused. He added that Stump "has never sought any favors from me for any public office."

Cautious Approval Given D.R. Plan

SANTO DOMINGO, Dominican Republic (AP)—President Joaquin Balaguer's creation of a new state governing council with a promise to resign once the Dominican Republic is accepted back in the Western Hemisphere family of nations won cautious general approval today.

Balaguer, whose old ties with the Trujillo regime have brought him under attack, agreed to bow out the minute the Organization of American States lifts diplomatic and economic sanctions imposed on the island republic 16 months ago.

In Washington, the U.S. State Department praised Balaguer's provisional government plan and said, "We consider it to be a most encouraging development."

Alberto Lleras Camargo of Colombia. There was a slight huskiness in his voice.

The Kennedys' whirlwind trip to the upper tier of South America was an obvious personal success. An enthusiastic greeting at Caracas, Venezuela, where leftists had made violent attempts to incite demonstrations against the United States and an overwhelming reception at Bogota, Colombia, reassured Kennedy.

Puerto Rico had reacted as expected on Friday at the start of the weekend journey, with more than 200,000 exuberant spectators on the streets of San Juan cheering the President.

Lazy Burglars Puzzle Police

Lawmen Mark Busy Weekend

Burglars with an elaborate plan but apparently little ambition provided Circleville Police with a puzzling breaking and entering case during the weekend.

Joe Sweazy, 406 Ruth Ave., an employee of Super Duper market on N. Court St., reported an entry at the store when he arrived about 8 a. m. today.

Investigating officers Sgt. Turney Ross and Patrolman William Brungs found burglars had removed several lockers at the rear of the concrete block building, broken a lock on a door knob and entered the store's cooler room.

From there they crawled through a pipe into the main building, lifted a heavy metal door from the floor behind the meat counter and gained entrance to the shopping area.

BUT AN inventory of merchandise showed the only thing taken was a ball point pen vending machine placed at the front of the building. The thieves removed the machine, crawled back into the refrigerator room and ransacked the coin box, taking at most a few dollars in small change.

The burglars left apparently by the same route used for entrance. Police are conducting an investigation.

Another theft was reported to police about 3:15 a. m. Sunday. Merle Jones, Crites Rd., told officers two spinner-type hubcaps valued at \$42 had been stolen from his car while it was parked in front of his home.

Auto accidents of the fender-bender variety also kept police busy Saturday. A two-car mishap was investigated late Saturday morning, while accidents involving three, two and one vehicles were checked during a four-hour period Saturday night. Damage was light in all mishaps and there were no injuries.

State Fire Marshal Issues Warning on Christmas Trees

COLUMBUS, Ohio (AP) — The State Fire Marshal's Office has issued its annual warning about preventing Christmas tree fires.

"Although there is no positive method for flame-proofing trees, there are precautions that families can take to render them less susceptible to flames," Fire Marshal Wilson McLaughlin warned. They are:

1. Purchase a tree that is freshly cut. To test this, bounce bit of tree hard on the ground. If needles shower down, tree is dry and not fresh.

2. Stand tree in water or snow until ready to use it indoors.

3. Just before setting up the tree, saw off trunk at an angle at least one inch above original cut.

4. Stand tree in water, making sure it is well supported to prevent it from being knocked over.

5. Keep tree away from sources of heat (fireplaces, radiators, hot air registers, etc.).

liance for Progress hinges primarily on the good will and cooperation of governments in power, Kennedy was openly gratified by his welcome from the people in Caracas and Bogota.

Half a million or more Colombians lined country roads and jammed Bogota's streets Sunday to cheer the Kennedys. Colombian officials called the demonstration the greatest by far in their capital's history.

The Kennedys' reception in Caracas on Saturday and their sendoff Sunday contrasted dramatically with the trepidation felt that pro-Castro elements and groups hostile to Venezuelan President Romulo Betancourt would cause grief.

Kennedy emphasized two positions in his 6,300 miles of travel: 1. An appeal for hemispheric support of his Alliance for Progress, the \$20-million plan for public and private funds to raise Latin American living standards.

2. Wholehearted support for Betancourt and President Alberto Lleras Camargo of Colombia. Kennedy made clear that he counts on their example to generate wide backing for the alliance.

Fire Strikes Circus Tent

Brazil Death Toll Said To Be Heavy

NITEROI, Brazil (AP) — Fire roared through a nylon circus tent Sunday afternoon as 2,500 persons watched a performance. Police estimated 250 were killed.

It was Brazil's worst disaster and the worst circus fire in history, worse than the Ringling Bros. fire in Hartford, Conn., in 1944 in which 168 died.

Officials early today said 180 bodies had been recovered, many of them children. An estimated 500 were injured, some seriously.

Gov. Celso Figueiredo of Rio de Janeiro State said arson was suspected. Niteroi is across Guanabara Bay from Rio de Janeiro.

The fire flashed up the tent as two trapeze performers began their aerial act. Within five minutes the flames had enveloped the mammoth tent and seared the ropes. The blazing mass fell on the spectators.

Some were trapped in their seats. Others could not get near the exits. Some were trampled to death.

Fear-crazed women and children rushed for the exits, fell atop each other and caught fire. Treatment of the hundreds of injured was hampered by shortages of medicine, blood plasma, hospital beds, doctors and nurses. Air force helicopters flew medicine and plasma from Rio de Janeiro and Sao Paulo. Radio appeals brought doctors and nurses from Rio.

Niteroi's five hospitals were filled. Others of the injured were ferried across the bay to Rio hospitals.

Among the survivors were the two trapeze artists. The woman, Antonietta Estevanovich, said she was standing on the platform and her partner was swinging through the air when they saw the fire. "I didn't yell fearing he would fall," she said, "he completed his swing and we both jumped into the net and escaped."

OBERLIN, Ohio (AP)—Private services will be held Tuesday for Robert T. Kretschmar, professor of physical education at Oberlin College, who died Sunday. He was 44.

Kretschmar was a member of the Oberlin faculty since 1952 and assistant football coach until illness sidelined him two years ago.

Quick Thrust Carries Fight Into Goa Area

Portugal Charges Military Aggression In Message to U.N.

BOMBAY, India (AP)—India today claimed capture of two Portuguese enclaves—Damao and Diu—and gains on all sectors in a lightning campaign against Goa, the third and largest of Portugal's possessions on the subcontinent.

Portugal asked for an urgent meeting of the U.N. Security Council and a denunciation of India "for an unprovoked military aggression."

Spurning a U.N. appeal for negotiations, Prime Minister Nehru sent troops, tanks, warships and bombers of this second most populous of the world's nations against the tiny territories under Portugal's flag since the 16th century.

The Indian government announced in New Delhi that Damao and Diu, north of Bombay, were "liberated" in this first day of what Nehru termed a police action.

A spokesman for Nehru's regime, leader of the Asian-African neutralist bloc, announced the Indian navy put a Portuguese warship out of action in a sea battle off Goa, 200 miles south of Bombay.

Portugal, a charter member of the North Atlantic Treaty Organization, said it had only one warship in the area, the 30-year-old sloop Alfonso de Albuquerque.

The Portuguese, who had agreed to negotiations, said their forces were outnumbered more than 2-1, but were putting up gallant resistance in Goa. Men from the Diu and Damao garrisons were reported to have been withdrawn to strengthen the defenses of Goa, a territory of 1,537 square miles and a population of 600,000.

By Indian account, the three-pronged strike into Goa — with tanks helping to batter the way — was going according to schedule. Several towns were reported seized. Authoritative reports from Belgaum, near the Goa frontier, said the invaders were within a few miles of Nova Goa, the capital.

Goa, the main battleground, is on the Arabian Sea at about the

BULLETIN

UNITED NATIONS, N.Y. (AP) —The U.N. Security Council was summoned for an urgent meeting this afternoon to deal with the Indian attack on Portuguese Goa.

The meeting was set for 3 p. m. EST after a request had been received from the Portuguese delegation for quick action.

India was expected to come under sharp criticism for the military action which began Sunday.

The invasion of Goa, Damao and Diu came after U.N. acting Secretary-General U Thant failed to get Indian Prime Minister Nehru to negotiate with Portuguese Premier Antonio Salazar over the enclaves.

He sent both men identical cables Thursday appealing to them to see that the situation on the borders of the three enclaves on the west coast of India did not deteriorate into a threat to peace.

Salazar accepted the suggestion of negotiations. Nehru's rejection said India had consistently lived up to the United Nations charter, but Portugal had "consistently ignored United Nations resolutions on ending colonialism" and refused to send the United Nations required reports on her colonies.

Nehru accused the Portuguese of repressing the inhabitants of the territories and staging daily raids into India.

Salazar said Portugal was ready to negotiate international guarantees that the Portuguese territories would not be used against India's security.

Freezing rain and fog in many areas in the eastern half of the nation made conditions hazardous for both motorists and pedestrians. Many storm-related deaths, most of them in traffic accidents on slippery highways, were reported, including nine in Iowa, eight in Indiana and two in New England.

Hundreds of persons suffered injuries in auto accidents and in falls on ice-coated streets. Thirty-three persons were injured, none seriously, when a chartered bus skidded off an ice-slicked highway near Lebanon, Pa.

A snowstorm and cold air, powered by strong northerly winds, swept across Idaho into Montana and Wyoming and moved across the northern Rockies into the north central region. The mercury dropped to zero and below from Montana into Minnesota as the arctic air spread into the midlands.

Snow also hit many areas in the West, including parts of Colorado, Utah, Nevada, Arizona, Oregon and Washington. Up to 42 inches of snow covered mountain areas near Flagstaff, Ariz.

Torrential rains drenched areas in the southeast from Alabama and Georgia northeastward to the Appalachians. Thunderstorms rumbled across sections of Louisiana, Mississippi and Alabama. A tornado hit a rural area near Marion, in western Alabama, causing minor property damage. One man suffered minor injuries.

Top Test Scorers Are Announced

COLUMBUS, Ohio (AP) — Jonathan H. Sunshine of Cleveland Heights and Nancy L. Sisson of Sylvania are the top scorers in the general scholarship test given last month to some 23,000 Ohio high school seniors.

State School Supt. E. E. Holt announced Sunday that Sunshine had the highest score among the boys, 254 of a possible 300, while Miss Sisson was highest among the girls with 253.

He said test results will be sent to any college or university at the request of the student tested. Holt claims that college grade averages can be predicted with this test as accurately as through any other national testing programs.

Ashville Firm Is Burglarized

Sheriff and Deputy Apprehend Burglars

Several hours of investigating a burglary of the Scioto Grain Company, Ashville, Saturday proved rewarding for the Pickaway County Sheriff's Department.

Jerry Sullivan, 23, and James Hanning, 31, both of New Albany, are being detained in the county jail today pending a Municipal Court hearing on charges of breaking and entering and grand larceny as a result of the lengthy investigation.

The duo was apprehended with all of the stolen goods late Saturday by Sheriff Walton W. Spangler and Deputy William Pontious following a probe of the burglary which occurred late Friday or early Saturday morning.

Sheriff Spangler reported that about \$425 dollars in new merchandise and tools was taken from the grain company.

THE following was listed by George Dresbach, manager of the company, as missing: two hydraulic jacks, an electric mixer, two electric blankets, four sets of wrenches, a half-inch electric drill, a chain saw, a hack saw and several hand tools.

Also found in the possession of the burglars were several articles taken from a truck parked at the grain company. Gail Waldeh, owner of the truck, said that a chain saw and accessories were taken from his truck late Friday night.

The Sheriff said that the burglars attempted to enter a safe in the office of the grain firm. The succeeded in breaking the combination lock but failed to get access to the inside.

Entry to the building was gained by removing a rear window and unlocking a door.

Bureau of Criminal Investigation officers, London, were called to the scene of the crime to aid in the investigation. Nothing was uncovered by the BCI to aid in the search.

Several auto license numbers were traced for registration, which finally resulted in the apprehension of the burglars and the recovery of the stolen merchandise.

Once Around Roundtown

Local downtown merchants will continue their practice of added hours for the convenience of holiday shoppers this week.

Most stores will remain open until 9 p. m. every night this week, including Wednesday afternoon.

Home and tree decorations for the holiday season consist of everything from colored electric lights to popcorn on a string.

One local family had "living color" before trimming the Christmas tree Saturday night.

After the tree had been set up, a beautiful multi-colored butterfly flew across the room. The colorful insect is still alive for non-believers.

The ever popular Christmas tune "White Christmas" is beginning to fill the air more each day as we near the final holiday of 1962. "I'm dreaming of a . . ." may be the extent of a white Christmas if recent temperatures ranging from the low 30s to the mid 50s continue this week.

AEC Lists 7th Test

WASHINGTON (AP)—The U.S. Atomic Energy Commission has announced its seventh underground nuclear explosion since the United States began its current series of tests.

The detonation Sunday was carried out at the AEC's Nevada test site and was described as a low yield blast. This would indicate a force equivalent of up to 5,000 tons of TNT.

'Heavy Cold' Slows Kennedy; Short Stay in Florida Due

PALM BEACH, Fla. (AP) — President Kennedy, suffering from "a heavy cold," stopped in Palm Beach today instead of returning directly to Washington from his weekend trip to Latin America.

Press secretary Pierre Salinger said Kennedy's present plan is to leave for Washington Tuesday morning.

Salinger told newsmen that the decision to stay over in Palm Beach was made only this morning, en route to Florida from a refueling stop at Ramey Air Force Base in Puerto Rico.

Salinger used the description "heavy cold" in describing the chief executive's illness.

Navy Capt. George W. Burkley, assistant White House physician, treated Kennedy once during the night. He drove into the estate where the Kennedys are staying about 15 minutes after the Kennedys arrived.

The Air Force jet carrying the presidential party had been scheduled to stop here only long enough to let off Mrs. Kennedy, who was to join her children at Palm Beach for the Christmas holidays.

Kennedy had intended to get together with them on Friday, on his return from a meeting with British Prime Minister Harold Macmillan in Bermuda.

Salinger's announcement that Kennedy's present plan is to continue to Washington Tuesday indicated the President still expects to keep the date with Macmillan. His schedule has called for a flight from Washington to Bermuda Thursday.

Traces of a cold showed up Sunday night in Bogota as he spoke to a dinner given in honor of the Kennedys by President and Mrs.

Gov. DiSalle Now Expresses Uncertainty

COLUMBUS, Ohio (AP)—Gov. Michael V. DiSalle expressed uncertainty today over his decision against seeking re-election.

Commenting to newsmen on a draft-DiSalle movement, the governor denied claims it was sponsored by so-called self-seeking politicians.

Recalling that soon after his Oct. 20 announcement of non-candidacy he had said he felt it was the right decision, DiSalle observed today: "I don't know. In view of developments, I just don't know."

DiSalle said he has never discussed the draft movement sponsored by Port Clinton publisher Robert Reider and Richard F. Guggenheim of Cincinnati, Civil Rights Commission chairman, both Democrats, and Dale Stump, Columbus attorney, a Republican.

The governor said Reider had done him a service rather than asking anything for himself. He said Guggenheim had refused a cabinet appointment and recently offered his resignation as Civil Rights Commission chairman, which was refused. He added that Stump "has never sought any favors from me for any public office."

State Fire Marshal Issues Warning on Christmas Trees

COLUMBUS, Ohio (AP) — The State Fire Marshal's Office has issued its annual warning about preventing Christmas tree fires.

"Although there is no positive method for flame-proofing trees, there are precautions that families can take to render them less susceptible to flames," Fire Marshal Wilson McLaughlin warned. They are:

1. Purchase a tree that is freshly cut. To test this, bounce butt of tree hard on the ground. If needles shower down, tree is dry and not fresh.

2. Stand tree in water or snow until ready to use it indoors.

3. Just before setting up the tree, saw off trunk at an angle at least one inch above original cut.

4. Stand tree in water, making sure it is well supported to prevent it from being knocked over.

5. Keep tree away from sources of heat (fireplaces, radiators, hot air registers, etc.).

Alberto Lleras Camargo of Colombia. There was a slight huskiness in his voice.

The Kennedys' whirlwind trip to the upper tier of South America was an obvious personal success. An enthusiastic greeting at Caracas, Venezuela, where leftists had made violent attempts to incite demonstrations against the United States and an overwhelming reception at Bogota, Colombia, reassured Kennedy.

Puerto Rico had reacted as expected on Friday at the start of the weekend journey, with more than 200,000 exuberant spectators on the streets of San Juan cheering the President.

Lazy Burglars Puzzle Police

Lawmen Mark Busy Weekend

Burglars with an elaborate plan but apparently little ambition provided Circleville Police with a puzzling breaking and entering case during the weekend.

Joe Sweazy, 406 Ruth Ave., an employee of Super Duper market on N. Court St., reported an entry at the store when he arrived about 8 a. m. today.

Investigating officers Sgt. Turney Ross and Patrolman William Brungs found burglars had removed several ladders at the rear of the concrete block building, broken a lock on a door knob and entered the store's cooler room.

From there they crawled through a pipe into the main building, lifted a heavy metal door from the floor behind the meat counter and gained entrance to the shopping area.

BUT AN inventory of merchandise showed the only thing taken was a ball point pen vending machine placed at the front of the building. The thieves removed the machine, crawled back into the refrigerator room and ransacked the coin box, taking at most a few dollars in small change.

The burglars left apparently by the same route used for entrance. Police are conducting an investigation.

Another theft was reported to police about 3:15 a. m. Sunday. Merle Jones, Crites Rd., told officers two spinner-type hubcaps valued at \$42 had been stolen from his car while it was parked in front of his home.

Auto accidents of the fender-bender variety also kept police busy Saturday. A two-car mishap was investigated late Saturday morning, while accidents involving three, two and one vehicles were checked during a four-hour period Saturday night. Damage was light in all mishaps and there were no injuries.

Two Portuguese Enclaves Attacked by India Troops

Quick Thrust Carries Fight Into Goa Area

Portugal Charges Military Aggression In Message to U.N.

BOMBAY, India (AP)—India today claimed capture of two Portuguese enclaves—Damao and Diu—and gains on all sectors in a lightning campaign against Goa, the third and largest of Portugal's possessions on the subcontinent.

Portugal asked for an urgent meeting of the U.N. Security Council and a denunciation of India "for an unprovoked military aggression."

Spurning a U.N. appeal for negotiations, Prime Minister Nehru sent troops, tanks, warships and bombers of this second most populous of the world's nations against the tiny territories under Portugal's flag since the 16th century.

The Indian government announced in New Delhi that Damao and Diu, north of Bombay, were "liberated" in this first day of what Nehru termed a police action.

A spokesman for Nehru's regime, leader of the Asian-African neutralist bloc, announced the Indian navy put a Portuguese warship out of action in a sea battle off Goa, 200 miles south of Bombay.

Portugal, a charter member of the North Atlantic Treaty Organization, said it had only one warship in the area, the 30-year-old sloop Alfonso de Albuquerque.

The Portuguese, who had agreed to negotiations, said their forces were outnumbered more than 2-1, but were putting up gallant resistance in Goa. Men from the Diu and Damao garrisons were reported to have been withdrawn to strengthen the defenses of Goa, a territory of 1,537 square miles and a population of 600,000.

By Indian account, the three-pronged strike into Goa — with tanks helping to batter the way — was going according to schedule. Several towns were reported seized. Authoritative reports from Belgaum, near the Goa frontier, said the invaders were within a few miles of Nova Goa, the capital.

U.N. Council Summoned for Goa Meeting

BULLETIN

UNITED NATIONS, N.Y. (AP) —The U.N. Security Council was summoned for an urgent meeting this afternoon to deal with the Indian attack on Portuguese Goa.

The meeting was set for 3 p. m. EST after a request had been received from the Portuguese delegation for quick action.

India was expected to come under sharp criticism for the military action which began Sunday.

The invasion of Goa, Damao and Diu came after U.N. acting Secretary-General U Thant failed to get Indian Prime Minister Nehru to negotiate with Portuguese Premier Antonio Salazar over the enclaves.

He sent both men identical cables Thursday appealing to them to see that the situation on the borders of the three enclaves on the west coast of India did not deteriorate into a threat to peace.

Salazar accepted the suggestion of negotiations. Nehru's rejection said India had consistently lived up to the United Nations charter, but Portugal had "consistently ignored United Nations resolutions on ending colonialism" and refused to send the United Nations required reports on her colonies.

Nehru accused the Portuguese of repressing the inhabitants of the territories and staging daily raids into India.

Salazar said Portugal was ready to negotiate international guarantees that the Portuguese territories would not be used against India's security.

Jaycees Host Holiday Party For LL Children

Fifty-five children were guests of the Circleville Junior Chamber of Commerce yesterday at the annual Lowery Lane Mission Christmas Party.

Santa Claus was on hand to distribute gifts to each of the 55 children donated by local downtown merchants.

The mission was decorated by Jaycee members, again utilizing donations made by local merchants.

Refreshments of milk, cookies, candy and oranges were served to the children followed by singing of carols.

The Jaycees' Wives Club also assisted in making the party a success by baking cookies and helping with packages.

The committee in charge of the event was headed by Robert Swackhammer, assisted by Jack Alkire, Joe Blue, John Fissell, Don Greenlee and Richard Koeh.

Clothing gifts have been purchased by the local Jaycee unit for Lowery Lane children which will be distributed later by the Rev. William Campbell, pastor of the mission.

Stolen Truck Is Recovered

A new two-ton truck was recovered early today shortly after it had been reported missing to the Pickaway County Sheriff's Department.

Myron Schelb, of Harmon and Schelb Service Inc., N. Court St., reported the truck as missing at about 8 a. m. today.

About 25 minutes later the truck was found deserted two miles north of Circleville on Route 23.

Deputy Neal Childress said that apparently the truck ran out of fuel and was left along the highway.

The truck was not damaged and no evidence was left behind to determine who was responsible for "borrowing the truck" the deputy added.

Date To Be Announced

VATICAN CITY (AP) — The opening date of the Roman Catholic Church's forthcoming ecumenical council, the first in nearly 100 years — will be announced on Christmas Day.

The ecumenical council is expected to start in about a year. Pope John XXIII has frequently referred to it as one of the most important, if not the most important, event of his reign.

Two Receive Minor Injuries In Tarlton Crash

Two persons suffered minor injuries as the result of a two-car mishap in Tarlton at 6:30 p. m. Saturday.

Carl H. Baughman, 69, Route 2, Laurelville, driver of one vehicle received a laceration of the face and his passenger, Avis Foust, 71, Tarlton, suffered several bruises of the face and head.

State Patrolmen said that the accident occurred when Baughman's auto struck a second vehicle parked at the curb in the business section of the village. The parked car was unoccupied.

According to the Patrol, Baughman didn't stop after crashing into the parked auto, but was apprehended about one mile from their village.

Both cars were damaged heavily and Baughman was cited into Circleville Municipal Court for leaving the scene of an accident.

Charles Keaton, 31, of 426 E. Union St., forfeited \$34 bond on a charge of interfering with Patrolman Wesley Barton of the city police department while Barton was performing his duties Dec. 10.

Donald Lee McCain, 26, of 572 E. Ohio St., was fined \$15 and costs for speeding 35 miles an hour in a 25 mile zone in the city. latitude of Guatemala. Indian air force planes bombed Nova Goa's airport, an Indian spokesman announced. He said the runway and one radio station were put out of commission.

India adopted bombing tactics because of the impossibility of entering the capital's harbor, which had been heavily mined by the Portuguese, he said.

Otherwise Indian troops had gone between eight and 10 miles inside the border in a wide arc, the spokesman said.

The Indian invasion to seize the territories ruled for more than four centuries by Portugal brought sharp criticism from the United States.

Secretary of State Dean Rusk called an urgent meeting of his top aides in Washington and a high-ranking official said afterward: "This is a classic example of the use of force by one of the most moralistic members of the neutral bloc."

President Kennedy and British Prime Minister Harold Macmillan earlier had appealed directly to Nehru to seek a peaceful settlement of the long-standing dispute. But Nehru turned a deaf ear to their pleas.

Portugal ordered internment of all Indian nationals in Portuguese overseas territories and froze their assets. There are sizable Indian populations in Mozambique and Angola in Africa and in Macao on the Red China border.

Details of the fighting were skimpy but heavy firing could be heard at this Indian command post only a few miles from the Goan frontier.

The Indian forces swept across the Goan border at three places in full force, with tanks, armored cars and air cover.

Defense Minister V. K. Krishna Menon said in New Delhi that the invaders were being helped by underground sympathizers inside Goa. He said there was evidence the Portuguese were blowing up bridges and destroying oil storage tanks in a scorched earth policy.

The Indian command said the invasion was going as planned. Heaviest fighting was reported in Goa, an area of 1,348 square miles with a population of about 600,000. Only nominal resistance was reported in Diu and Damao, which together total only 53 square miles and have about 43,000 people.

Jaycees Host Holiday Party For LL Children

Fifty-five children were guests of the Circleville Junior Chamber of Commerce yesterday at the annual Lowery Lane Mission Christmas Party.

Santa Claus was on hand to distribute gifts to each of the 55 children donated by local downtown merchants.

The mission was decorated by Jaycee members, again utilizing donations made by local merchants.

Refreshments of milk, cookies, candy and oranges were served to the children followed by singing of carols.

The Jaycees' Wives Club also assisted in making the party a success by baking cookies and helping with packages.

The committee in charge of the event was headed by Robert Swackhammer, assisted by Jack Alkire, Joe Blue, John Fissell, Don Greenlee and Richard Koch.

Clothing gifts have been purchased by the local Jaycee unit for Lowery Lane children which will be distributed later by the Rev. William Campbell, pastor of the mission.

Stolen Truck Is Recovered

A new two-ton truck was recovered early today shortly after it had been reported missing to the Pickaway County Sheriff's Department.

Myron Schelb, of Harmon and Schelb Service Inc., N. Court St., reported the truck as missing at about 8 a. m. today.

About 25 minutes later the truck was found deserted two miles north of Circleville on Route 23.

Deputy Neal Childress said that apparently the truck ran out of fuel and was left along the highway.

The truck was not damaged and no evidence was left behind to determine who was responsible for "borrowing the truck" the deputy added.

Date To Be Announced

VATICAN CITY (AP) — The opening date of the Roman Catholic Church's forthcoming ecumenical council, the first in nearly 100 years — will be announced on Christmas Day.

The ecumenical council is expected to start in about a year. Pope John XXIII has frequently referred to it as one of the most important, if not the most important, event of his reign.

Two Receive Minor Injuries In Tarlton Crash

Two persons suffered minor injuries as the result of a two-car mishap in Tarlton at 6:30 p. m. Saturday.

Carl H. Baughman, 60, Route 2, Laurelville, driver of one vehicle received a laceration of the face and his passenger, Avis Foust, 71, Tarlton, suffered several bruises of the face and head.

State Patrolmen said that the accident occurred when Baughman's auto struck a second vehicle parked at the curb in the business section of the village. The parked car was unoccupied.

According to the Patrol, Baughman didn't stop after crashing into the parked auto, but was apprehended about one mile from their village.

Both cars were damaged heavily and Baughman was cited into Circleville Municipal Court for leaving the scene of an accident.

latitude of Guatemala. Indian air force planes bombed Nova Goa's airport, an Indian spokesman announced. He said the runway and one radio station were put out of commission.

India adopted bombing tactics because of the impossibility of entering the capital's harbor, which had been heavily mined by the Portuguese, he said.

Otherwise Indian troops had gone between eight and 10 miles inside the border in a wide arc, the spokesman said.

The Indian invasion to seize the territories ruled for more than four centuries by Portugal brought sharp criticism from the United States.

Secretary of State Dean Rusk called an urgent meeting of his top aides in Washington and a high-ranking official said afterward: "This is a classic example of the use of force by one of the most moralistic members of the neutral bloc."

President Kennedy and British Prime Minister Harold Macmillan earlier had appealed directly to Nehru to seek a peaceful settlement of the long-standing dispute. But Nehru turned a deaf ear to their pleas.

Portugal ordered internment of all Indian nationals in Portuguese overseas territories and froze their assets. There are sizable Indian populations in Mozambique and Angola in Africa and in Macao on the Red China border.

Details of the fighting were skimpy but heavy firing could be heard at this Indian command post only a few miles from the Goan frontier.

The Indian forces swept across the Goan border at three places in full force, with tanks, armored cars and air cover.

Defense Minister V. K. Krishna Menon said in New Delhi that the invaders were being helped by underground sympathizers inside Goa. He said there was evidence the Portuguese were blowing up bridges and destroying oil storage tanks in a scorched earth policy.

The Indian command said the invasion was going as planned. Heaviest fighting was reported in Goa, an area of 1,348 square miles with a population of about 600,000. Only nominal resistance was reported in Diu and Damao, which together total only 53 square miles and have about 43,000 people.

Citizenship Renounced

JAKARTA, Indonesia (AP) — More than 8,000 Chinese in East Java have decided to renounce their Chinese citizenship and become Indonesians, officials said. Indonesia's estimated 2 million Chinese have enjoyed dual nationality rights but under a new law they must choose one or the other.

SANTA and the FLYING SHOE

by Lucrece Beale

SYNOPSIS: Santa and King Ferdinand of Polydora disguise themselves as woodchoppers and try to trap the giant Ipswitch by stretching a rope across its path. But the monster passes by without touching the rope!

CHAPTER THIRTEEN THE MAGICIANS

"It's impossible!" declared Santa. "How could it pass and not trip over the rope?"

The King shook his head. "The whole thing is impossible and I have never known anything to equal it in any mystery story I've ever read."

"When we get to the bottom of this," said Santa, "I shall have one of my writers do a story about it. It will be a good thing to have on the Book List next Christmas."

"Perhaps we shall never get to the bottom of it," said the King dolefully. "And by next Christmas I won't even be King."

"Nonsense," said Santa. "I have a brand new plan. We will dig a ditch and the next time the Ipswitch comes around it will fall in to it and that will be that."

"It will have to be an awfully big ditch," said the King. "We couldn't dig it."

"We will have your people dig it," said Santa.

"But they no longer do anything I command!"

"But if a magician commands it?"

"Magician?"

Santa was busily pulling costumes from his inexhaustible bag. "We will disguise ourselves as magicians. Then we will promise the people to get rid of the Ipswitch if they will dig a hole."

Before he knew it, the King found himself no longer a wood-chopper but a magician dressed in black tails and tall silk hat and carrying a magic wand. Santa dressed in the same disguise and they headed back to the town. In no time at all they were surrounded by townsmen. These poor people had often heard of but never seen a magician and when they found themselves visited by two they were overcome with awe.

When Santa explained to them what he wanted they agreed willingly. There was nothing they would not do to rid themselves of the cursed Ipswitch.

They rushed to their homes for shovels and pickaxes and then marched, one thousand strong, to the narrow plain between the hills. There was already a deep depression made by the Ipswitch's last trip and the two magicians stood at the edge of this hole and directed the laborers to enlarge and deepen it.

The eager workers dug and dug without stopping and the hole got deeper and deeper and wider and wider. Santa and the King stood at the side and from time to time waved their wands, pretending

The townsmen were overcome with awe at the two magicians.

that magic was being invoked.

When at last the ditch was large enough they ordered the workers home and then the two magicians climbed into the hole.

"It's huge!" cried Santa. "It's bound to work."

"Oh, my!" said the King, waving his wand excitedly. "I just wish the Ipswitch would come this very minute! I'd like to see it's face when it falls in here."

"Watch that wand!" cautioned

Santa. "You never can tell—"

But it was too late. Somehow magic had been invoked or maybe it was a coincidence but anyway the Ipswitch was on its way again. Hearing the distant thuds, the two magicians struggled wildly out of the ditch just in time to see an enormous left foot descending on them from above.

Panic stricken, Santa and the King tumbled again to the bottom of the ditch. They picked each other up and raced forward hand in hand. Then Santa stumbled and both of them crashed headlong. An instant later, the foot landed not two yards in front of them.

Open mouthed, they stared. It was a shoe. But there was no leg. No body. No head. Only a left-footed shoe that already was rising in front of them to land again miles away.

Lunch Plan In Schools On Increase

COLUMBUS, Ohio (AP) — The number of lunches served through Ohio's school lunch program has increased more than five million in each of the last five years, the Department of Education reports.

During the fiscal year ended June 30, 1961, 87,078,758 lunches were served. Included in this figure are more than four million given free to needy children, Wade D. Bash, chief of the school lunch program for the education department, reported.

Children paid \$26,921,172 for lunches at the 2,146 schools participating in this program.

The youngsters also consumed 125,747,713 half pints of milk under the school milk program in which 3,267 schools participate, Bash said. The average cost of the milk is 3½ cents a half pint.

Bash said the total cost of the school lunch and milk programs was \$53,255,067.

Lord Snowdon Has To Wait for Pix

LONDON (AP)—Lord Snowdon, former society photographer Antony Armstrong-Jones, hinted that he had to wait his opportunity to get those photographs he took of his son Viscount Linley.

The photographs of his wife, Princess Margaret, and the baby were published all over the world a few weeks ago.

Lord Snowdon later told a group of teen-age photographers some of the difficulties encountered in baby photography.

"I've had a lot of experience," he said, "and you can't force a baby into doing anything. You have just got to wait around for half the night, waiting for a good expression."

SANTA and the FLYING SHOE

by Lucrece Beale

SYNOPSIS: Santa and King Ferdinand of Polydora disguise themselves as woodchoppers and try to trap the giant Ipswitch by stretching a rope across its path. But the monster passes by without touching the rope!

CHAPTER THIRTEEN THE MAGICIANS

"It's impossible!" declared Santa. "How could it pass and not trip over the rope?"

The King shook his head. "The whole thing is impossible and I have never known anything to equal it in any mystery story I've ever read."

"When we get to the bottom of this," said Santa, "I shall have one of my writers do a story about it. It will be a good thing to have on the Book List next Christmas."

"Perhaps we shall never get to the bottom of it," said the King dolefully. "And by next Christmas I won't even be King."

"Nonsense," said Santa. "I have a brand new plan. We will dig a ditch and the next time the Ipswitch comes around it will fall in to it and that will be that."

"It will have to be an awfully big ditch," said the King. "We couldn't dig it."

"We will have your people dig it," said Santa.

"But they no longer do anything I command!"

"But if a magician commands it?"

"Magician?"

Santa was busily pulling costumes from his inexhaustible bag. "We will disguise ourselves as magicians. Then we will promise the people to get rid of the Ipswitch if they will dig a hole."

Before he knew it, the King found himself no longer a wood-chopper but a magician dressed in black tails and tall silk hat and carrying a magic wand. Santa dressed in the same disguise and they headed back to the town. In no time at all they were surrounded by townsfolk. These poor people had often heard of but never seen a magician and when they found themselves visited by two they were overcome with awe.

When Santa explained to them what he wanted they agreed willingly. There was nothing they would not do to rid themselves of the cursed Ipswitch.

They rushed to their homes for shovels and pickaxes and then marched, one thousand strong, to the narrow plain between the hills. There was already a deep depression made by the Ipswitch's last trip and the two magicians stood at the edge of this hole and directed the laborers to enlarge and deepen it.

The eager workers dug and dug without stopping and the hole got deeper and deeper and wider and wider. Santa and the King stood at the side and from time to time waved their wands, pretending

The townsfolk were overcome with awe at the two magicians.

that magic was being invoked.

When at last the ditch was large enough they ordered the workers home and then the two magicians climbed into the hole.

"It's huge!" cried Santa. "It's bound to work."

"Oh, my!" said the King, waving his wand excitedly. "I just wish the Ipswitch would come this very minute! I'd like to see its face when it falls in here."

"Watch that wand!" cautioned

Santa. "You never can tell."

But it was too late. Somehow magic had been invoked or maybe it was a coincidence but anyway the Ipswitch was on its way again. Hearing the distant thuds, the two magicians struggled wildly out of the ditch just in time to see an enormous left foot descending on them from above.

Panic stricken, Santa and the King tumbled again to the bottom of the ditch. They picked each other up and raced forward hand in hand. Then Santa stumbled and both of them crashed headlong. An instant later, the foot landed not two yards in front of them.

Open mouthed, they stared. It was a shoe. But there was no leg. No body. No head. Only a left-footed shoe that already was rising in front of them to land again miles away.

Lunch Plan In Schools On Increase

COLUMBUS, Ohio (AP) — The number of lunches served through Ohio's school lunch program has increased more than five million in each of the last five years, the Department of Education reports.

During the fiscal year ended June 30, 1961, 87,078,758 lunches were served. Included in this figure are more than four million given free to needy children, Wade D. Bash, chief of the school lunch program for the education department, reported.

Children paid \$26,921,172 for lunches at the 2,146 schools participating in this program.

The youngsters also consumed 125,747,713 half pints of milk under the school milk program in which 3,267 schools participate.

Bash said the average cost of the milk is 3½ cents a half pint. Bash said the total cost of the school lunch and milk programs was \$53,255,067.

Lord Snowden Has To Wait for Pix

LONDON (AP)—Lord Snowden, former society photographer Anthony Armstrong-Jones, hinted that he had to wait his opportunity to get those photographs he took of his son Viscount Linley.

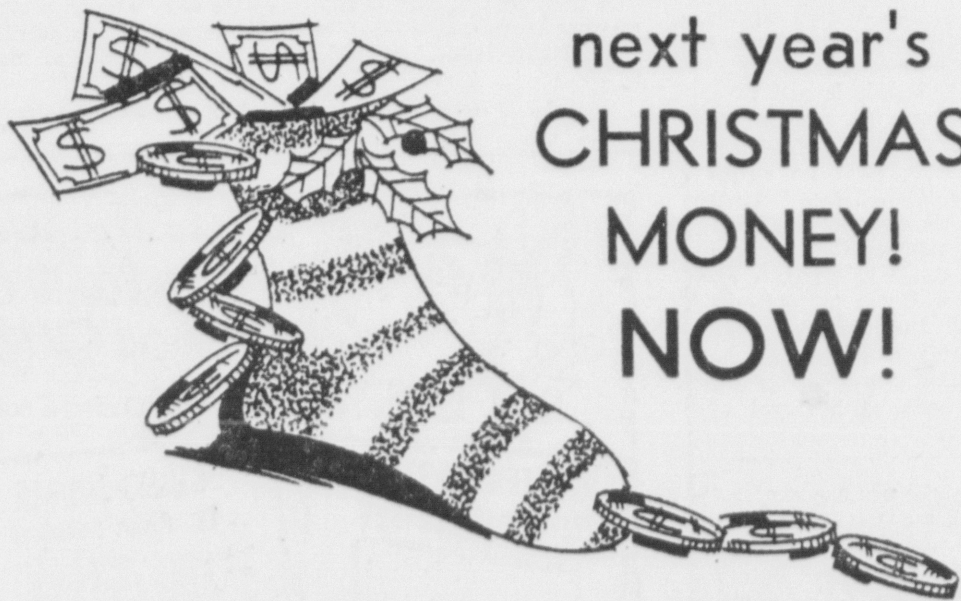

The photographs of his wife, Princess Margaret, and the baby were published all over the world a few weeks ago.

Lord Snowden later told a group of teenage photographers some of the difficulties encountered in baby photography.

"I've had a lot of experience," he said, "and you can't force a baby into doing anything. You have just got to wait around for half the night, waiting for a good expression."

Canada Takes Lead

Canada is seeking support before the next session of the general assembly of the United Nations for what could — and should — become a major offensive of the free world to repel the lie that it is the West that continues a policy of colonialization of the under-developed but richly-endowed areas of the world.

Prime Minister Diefenbaker has proposed a joining of forces to make a major issue of Russian colonialism — by far the most despotic, all encompassing subjugation of many nationalities by one power ever accomplished on this planet.

In a speech outlining his plan, the prime minister said: "For too long the Soviet Union and its satellites have been permitted to take the offensive against colonialism elsewhere while concealing their own. The Soviet Union, while pretending otherwise, is a colonial power and a colossus of empires."

"It dominates, subjugates and exploits vast areas of Asia and the Caucasus, initially colonized in the nineteenth century

and earlier by imperial Russia, using them as a source of cheap raw materials, cheap labor and a captive market."

More than this, the Soviets have systematically plundered each of the conquered lands of its riches, its industrial machine and its leaders of industry and stripped it as best it could of all national identity. Not to mention the abolition of all freedoms that might hamper the Soviet plan of conquest.

All of this has been accomplished without any pretense of aiding the captive colonies, but with the obvious intent of enriching the Soviet Union at any cost to the enslaved satellite. And this cost has included the annihilation of hundreds of thousands of citizens of the helpless colonies.

There are many volumes to the story of colonialism, Russian style. It is now time the delegates of the United Nations, who frequently find themselves debating the red bloc, have this history recited to them chapter by chapter. It will be enlightening to see who thinks something should be done about it.

Costs Less Now To Bump Cloud

NEW YORK (AP)—Things a columnist wouldn't know if he didn't open his mail:

It costs you less now to bump a cloud than it cost your father a generation ago to go the same distance by road. Travel gets cheaper all the time.

One proof: a man paid 12 cents a mile to travel by stage coach in the Old West. No bus, air or rail service today could get coach customers at half that price.

Religion on the gain: One of the largest publishers of Christmas cards says that 35 per cent of the 2 billion cards sold this year will have a religious motif. The same firm says that 15 years ago less than 5 per cent of the cards sold had a religious character.

How they started: Van Johnson was a real estate salesman. Bill Bendix a grocery clerk. Fredric March a bank teller. Marlon Brando an actor.

Our quotable Notables: "The only difference between a rut and

Ellen Glasgow.
Memo to John F. Kennedy: Some fellow has figured that America's hunters and fishermen traveled 13.2 billion motor miles in 1960. The same source estimated this amounted to 530,000 trips around the earth. He didn't estimate the distance in terms of knee-bends or pushups.

Do you intend to buy a dog? A reader warns that many pups are born deaf and you should snap your fingers behind one before purchasing it. The only breed I know that inherits deafness is the dalmatian, or spotted coach dog, and some say that might be a self-defense against the conversation it hears in fire houses.

Enough about dogs. What do you think about your boss? One survey found that a boss who props his feet upon the desk is the best and easiest to work for. My judgment: He might be the wisest boss, but the hardest to

work for—because he could exercise his leisure to make the hard and right decision.

On to the problem of women: Another so-called scientific survey claims to find that wives who sleep the soundest have the most affectionate husbands.

Boyle walks in his sleep. What does this prove?

The Business World

NEW YORK (AP)—The vendors of prepared beauty are looking toward their biggest Christmas. They thank the durable personal vanity of women—and men.

The sales of toiletry articles grow in bad times as well as good. In a recession people skimp on other things first. In good times, as this Yule season, they spend a little extra on gifts.

Sales of personal care items since 1954 have grown faster than the population explosion or the increase in personal income.

Some of the biggest jumps in sales volume in recent years have been in toilet goods for males, such as preshave products and shaving cream in aerosol cans. But growth rates also have soared on such items as spray hair fixatives, rinses, tints and dyes—presumably sold mainly to females.

All of this impresses Wall Street, particularly as total annual sales are estimated at \$2 billion, with maybe \$325 million of that for personal care items for men.

But picking individual winners among the makers of all these aids to beauty is another matter. That's because of the "ever-changing female taste" as pointed out in a special report on "The Economic Characteristics of the Cosmetics Industry" by a staid investment fund, the Tri-Continental Corp.

This means that members of the cosmetics industry "must constantly develop new products, improve old ones, and carefully evaluate all competitors' products in order to maintain competitive position," the investment firm's economist explains.

In other words, this month's favorite may be next month's has been.

Without Mom's warning, Jane might just have accepted the head-achy weakness, irritability and queasy stomach that most women feel. But cramping cramps sent her to bed each month.

Jane's first menstrual cycles passed without trouble. And then, suddenly — cramps! And backache too, sometimes down one thigh.

Those first menstrual cycles aren't guided by a mature egg cell leaving the ovary. And no egg cell, no pain. An egg cell must mature before blood vessels in the womb lining begin to twist and turn.

Spasm in these vessels probably triggers menstrual cramps.

Don't confuse Jane's trouble with the cramps that many women sometimes suffer. Cramps cripple Jane during every menstrual flow. Hot water bottles and heating pads relax spasms and calm cramps. Aspirin and mild sedatives help, too. Your doctor may prescribe muscle-relaxing tranquilizers, stimulants or stronger pain-killers.

You can't always tell whether the medicines work. Cramps generally calm down within several hours anyway.

Exercise and sports stretch tight ligaments and increase circulation inside the pelvis. Proper posture and empty intestines also prevent congestion.

When hormone pills stop egg cells from maturing, they automatically stop cramping cramps. Today, the surgeon rarely has to cut out those pain-carrying nerve fibers.

Jane also needs mental surgery. Deeply imbedded, distorted ideas about the menstrual cycle must be corrected. Gradually, she'll find herself able to work, golf and even swim during "those days".

Even without treatment, cramping cramps generally fade when the first baby is born. Or when you're about 23 years old. But the problem isn't conquered; it's merely postponed if Jane hasn't learned.

Otherwise, her new baby girl will grow up listening to Jane's menacing predictions about cramping cramps — the curse of women!

According to a report in the New York "Herald Tribune," Herbert Matthews, an editor of "The New York Times," who in a large measure was responsible for the acceptance of Castro by the United States as the savior of Cuba, said, when Castro declared himself to be a Marxist:

"I don't believe anything he says. He's fantastic, incredible."

"Today Castro may believe he's a Communist, but tomorrow he may believe something else. I don't think you can give him a label. He's too wild, too disorganized."

This is not what Herbert Matthews said when he indoctrinated Ambassador Earl E. T. Smith. Smith was instructed to take lessons from Matthews in Cuban affairs upon his appointment. It was unusual for a diplomat to be instructed by a newspaperman; nevertheless that is what Smith was told to do. When he discovered that Castro was a Communist, Smith so notified the State Department but his notification was ignored and he was set aside. Now Smith's judgement has been verified by Castro himself and it is clear beyond doubt that Castro is a Communist.

Matthews now admits that he may have made some slips in his judgement of Castro, but has he ever apologized to Ambassador Smith for his attitude toward the diplomat or is he like his newspaper which does not admit error? Ambassador Smith was rejected by Switzerland because of his difficulties with "The New York Times," an error of judgement that will never be forgotten by this Administration and by many Americans. We all make mistakes in the course of a lifetime of writing but he is indeed guilty of evil intent who will not admit error under any circumstances.

Matthews takes the position that if Castro is indeed a Marxist, "he is going to be a very bad and unruly one." This is, of course, a sentence of no significance. If Castro is a Marxist, as he now says that he is, it does not matter whether he is bad or unruly. What does matter is that he has become a peril to the United States. According to the "Herald Tribune" account Matthews said:

(Castro is) "the most dangerous person to the United States who has ever arisen in the history of the Western Hemisphere."

This is true but it is not what he said to Earl E. T. Smith when he indoctrinated the Ambassador. Nor is it what he wrote in "The New York Times" when his articles were influencing Americans to support Castro. Nor is it what he wrote in his book on Cuba. Too late, Herbert Matthews has discovered that his protegee is a man of evil; too late has he discovered that his support of Castro has been a betrayal of American interests.

GEORGE ROMNEY tells about the guest of honor at a banquet who discovered at the last moment that his upper plate had cracked. "You'll have to cancel my speech," he told the toastmaster.

"Nonsense," said the latter. "Here's a spare upper I have in my pocket."

The guest of honor inserted the plate in his mouth, and essayed a few words with disastrous results. "No good," he announced, pulling out the plate. "It doesn't fit."

Like a magician taking rabbits out of a hat, the toastmaster produced a second plate, which didn't fit either, and then a third plate, which was exactly right.

The guest of honor made a fine speech, received an ovation, then turned gratefully to the toastmaster. "It was a lucky break for me," he said, "that you happen to be a dentist."

"Dentist nothing," said the toastmaster. "I'm an undertaker."

A man was sipping a cup of coffee at a doughnut shop when another customer dropped in and observed, "It looks like rain." "It certainly does," agreed the coffee drinker. "It tastes like it, too."

Exercise and sports stretch tight ligaments and increase circulation inside the pelvis. Proper posture and empty intestines also prevent congestion.

When hormone pills stop egg cells from maturing, they automatically stop cramping cramps. Today, the surgeon rarely has to cut out those pain-carrying nerve fibers.

Jane also needs mental surgery. Deeply imbedded, distorted ideas about the menstrual cycle must be corrected. Gradually, she'll find herself able to work, golf and even swim during "those days".

Even without treatment, cramping cramps generally fade when the first baby is born. Or when you're about 23 years old. But the problem isn't conquered; it's merely postponed if Jane hasn't learned.

Otherwise, her new baby girl will grow up listening to Jane's menacing predictions about cramping cramps—the curse of women!

According to a report in the New York "Herald Tribune," Herbert Matthews, an editor of "The New York Times," who in a large measure was responsible for the acceptance of Castro by the United States as the savior of Cuba, said, when Castro declared himself to be a Marxist:

"I don't believe anything he says. He's fantastic, incredible."

"Today Castro may believe he's a Communist, but tomorrow he may believe something else. I don't think you can give him a label. He's too wild, too disorganized."

This is not what Herbert Matthews said when he indoctrinated Ambassador Earl E. T. Smith. Smith was instructed to take lessons from Matthews in Cuban affairs upon his appointment. It was unusual for a diplomat to be instructed by a newspaperman; nevertheless that is what Smith was told to do. When he discovered that Castro was a Communist, Smith so notified the State Department but his notification was ignored and he was set aside. Now Smith's judgement has been verified by Castro himself and it is clear beyond doubt that Castro is a Communist.

Matthews now admits that he may have made some slips in his judgement of Castro, but has he ever apologized to Ambassador Smith for his attitude toward the diplomat or is he like his newspaper which does not admit error? Ambassador Smith was rejected by Switzerland because of his difficulties with "The New York Times," an error of judgement that will never be forgotten by this Administration and by many Americans. We all make mistakes in the course of a lifetime of writing but he is indeed guilty of evil intent who will not admit error under any circumstances.

Matthews takes the position that if Castro is indeed a Marxist, "he is going to be a very bad and unruly one." This is, of course, a sentence of no significance. If Castro is a Marxist, as he now says that he is, it does not matter whether he is bad or unruly. What does matter is that he has become a peril to the United States. According to the "Herald Tribune" account Matthews said:

"(Castro is) 'the most dangerous person to the United States who has ever arisen in the history of the Western Hemisphere.'"

This is true but it is not what he said to Earl E. T. Smith when he indoctrinated the Ambassador. Nor is it what he wrote in "The New York Times" when his articles were influencing Americans to support Castro. Nor is it what he wrote in his book on Cuba. Too late, Herbert Matthews has discovered that is protege is a man of evil; too late he has discovered that his support of Castro has been a betrayal of American interests.

dividual letters, he will use readers' questions in his column whenever possible and when they are of general interest. Address your letters to Dr. Fern in care of this newspaper.

Our only comment can be that it is most unfortunate when so-called authorities lack the depth of understanding and lead us in incorrect directions. It makes one wonder how often it happens. Certainly, it must be said that the articles that Walter Duranty wrote about Soviet Russia at the beginning of the Revolution have not been justified by the course of events.

It would be interesting to study the activities of the CIA during the past four years to discover whether what was told to the President and the State Department has at all been correct. Certainly, too many errors have been made and we have no explanation who made them or why. The Katanga activities of the United Nations are queer and are without explanation. That picture requires better explanation than we have had. Certainly, we do not know enough about the Katanga situation to justify an opinion as to what

program concerning Katanga is correct.

Much needs to be disclosed and minds. Surely, we do not know enough to understand why so great a fuss is made over little Albania. Nor is it clear why the troubles in the Dominican Republic have developed into such a serious revolution. How much of the Dominican troubles are manufactured by Castro; how many of aftermath of the fall of Trujillo? Whatever it is, the Dominican situation is extremely ugly and can lead to an explosion in Latin America.

Are we aware of the probability of the expositive character of the peoples of Latin America and does anyone have a program to deal with the subject?

GEORGE ROMNEY tells about the guest of honor at a banquet who discovered at the last moment that his upper plate had cracked. "You'll have to cancel my speech," he told the toastmaster.

"Nonsense," said the latter. "Here's a spare upper I have in my pocket."

The guest of honor inserted the plate in his mouth, and essayed a few words with disastrous results. "No good," he announced, pulling out the plate. "It doesn't fit."

Like a magician taking rabbits out of a hat, the toastmaster produced a second plate, which didn't fit either, and then a third plate, which was exactly right.

The guest of honor made a fine speech, received an ovation, then turned gratefully to the toastmaster. "It was a lucky break for me," he said, "that you happen to be a dentist."

"Dentist nothing," said the toastmaster. "I'm an undertaker."

A man was sipping a cup of coffee at a doughnut shop when another customer dropped in and observed, "It looks like rain." "It certainly does," agreed the coffee drinker. "It tastes like it, too."

The Business World

By Sam Dawson

NEW YORK (AP)—The vendors of prepared beauty are looking toward their biggest Christmas. They thank the durable personal vanity of women—and men.

The sales of toiletry articles grow in bad times as well as good. In a recession people skimp on other things first. In good times, as this Yule season, they spend a little extra on gifts.

Sales of personal care items since 1954 have grown faster than the population explosion or the increase in personal income.

Some of the biggest jumps in sales volume in recent years have been in toilet goods for males, such as preshave products and shaving cream in aerosol cans. But growth rates also have soared on such items as spray hair fixatives, rinses, tints and dyes—presumably sold mainly to females.

All of this impresses Wall Street, particularly as total annual sales are estimated at \$2 billion, with maybe \$325 million of that for personal care items for men.

But picking individual winners among the makers of all these aids to beauty is another matter. That's because of the "ever-changing female taste" as pointed out in a special report on "The Economic Characteristics of the Cosmetics Industry" by a staid investment fund, the Tri-Continental Corp.

This means that members of the cosmetics industry "must constantly develop new products, improve old ones, and carefully evaluate all competitors' products in order to maintain competitive position," the investment firm's economist explains.

In other words, this month's favorite may be next month's has-been.

But there's no question about the growth of the industry. Total sales in 1960 were around \$900 million with the population at 152 million and enjoying personal income after taxes of \$208 billion. By 1960 personal care sales were nearing \$2 billion, for a population of 180 million with \$352 billion to spend.

The fund's statistician, using 1954 as a base of 100, puts the growth index of sales at 195, the population at 120, and income at 169.

Food stores, particularly the chains, have been chalking up the biggest gains as cosmetic and toiletry outlets, now accounting for 23.5 per cent. Drugstores have been losing in percentage of the total but still lead in dollar volume, with food stores now second, followed by house-to-house

selling, and department and specialty stores.

How do the financial beagles view the prospects? For the industry as a whole—not individual firms, remember—they foresee certain expansion.

For one thing, cosmetic buying is increasing among the younger age groups—where the population is busily exploding.

For another, the amount of income controlled by women seems destined to go on increasing. The percentage of women in the labor force is on the upgrade. This means more money to spend. But it also means, as the investment economists put it: "As more and more women come into the labor force and as they also become competitive with men in many areas of employment their desire to look attractive can only increase."

Practical Nurses' Assn. Has Annual Yule Social Meet

The annual Christmas party of the Practical Nurses Assn. was held Friday evening in the Kerns Restaurant with 18 members attending.

The dining room and tables were attractively decorated for the occasion.

Following dinner, the group held a business meeting. Vice President Mrs. Frances Evans presided, substituting for the president, Mrs. Ethel McFarland.

Yearly reports of the treasurer, Mrs. Louise Garner, and the secretary, Mrs. Helen Wertman, were given.

Mrs. Evans then announced the 1962 officers who include: President, Mrs. Thelma Smith; Vice President, Mrs. Marguerite Stenson; Secretary, Mrs. Helen Wertman and Treasurer, Mrs. Jean Good.

The Board of Directors for 1961 consisting of Mrs. Edna Harlan, Mrs. Charlotte Hill and Mrs. Helen Wertman appointed the following to serve for 1962: Mrs. Lillian Kerr, Mrs. Jean Good and Mrs. Anna Gardner.

A vote of thanks was extended the outgoing officers and gifts of appreciation were given the President and Vice President.

It was voted to contribute a cash donation to the Circleville Christmas Lighting Inc. fund.

The members were then called upon to guess the identity of their mystery sisters for the past year. This was followed by the distribution of gifts in which each mystery sister was revealed.

The newly-elected President Mrs. Smith gave a talk and requested all members to give her their support in the coming year.

She announced the next meeting is to be held Jan. 19 in the Red Cross rooms. Mrs. Francie Peters has extended an invitation for the group to meet at her home in Ashville for the Feb. 16th meeting.

Drawings were then held to distribute the table decorations.

Individual place favors consisted of miniature and angel candles, nut baskets and corsages.

Mrs. McFarland, retiring president, presented each member an attractive note book and pencil sets with the recipients' name engraved in gold.

The Christmas spirit prevailed throughout the enjoyable evening and each departed with "Merry Christmas and Happy New Year" wishes to all.

Right Now's The Time For Holiday Clean-Up

By ELEANOR ROSS

Comes the holiday season and even the most indifferent homemaker wants her home in shining order. So a thorough clean-up job is in order.

How good it is that modern equipment and wonderful products have taken the terrors out of such a job! Since comparatively little effort is involved, it's more satisfying than ever to put the house in shape for the winter holidays.

By now you probably have had rugs and draperies cleaned and slipcovers put away, so next on the schedule is putting a holiday shine on wood furniture and floors, making mirrors gleam and polishing up all the silver, including any ornaments.

Wood floors take kindly to waxes that clean as well as polish. There is a liquid wax that is usually all that is needed to remove any grime and embedded dust from the floor. Used with an electric waxer or manual buffer, this makes for shining floors with a minimum of effort.

Don't forget that wax is an excellent protective for wood table tops and, in fact, for all wooden surfaces. We came upon a push-button wax that may be applied with a cloth or used directly on furniture that is not upholstered. Using this wax is as easy as dusting.

For a more subdued sheen that still provides protection, non-oily

paste or cream wax are available. Don't use suds and water on furniture, since they may damage wood surfaces.

The kitchen is always a busy place during the holidays and so it should be extra spic-and-span. Then there's no hesitancy if guests offer to lend a helping hand.

Shelves, appliances, dinette furniture, Venetian blinds, counters, and enameled woodwork can all be cleaned with cream-type wax. The wax should be applied sparingly, with a damp cloth rubbed over one section at a time to loosen dirt, then light buffed with a clean, soft cloth.

This wax is fine for tackling the new self-adhesive plastics that are such a boon. It also works wonders on shelves and counters.

Personals

Mr. and Mrs. Gunner Musselman and daughter, Deena, 105 Collins Ct., will spend a Christmas vacation in Florida.

Home for the holidays from Columbus Business University are Karen Trump and Sue Dennis, both of Williamsport; Marilyn Clifton, Ann Steele, Ronald Miller, Steve Helwegen, Ronald Arledge and Gene Dean, all of Circleville.

Mr. and Mrs. Joe Moats, 423 Northridge Road, will spend the Christmas holiday in St. Petersburg, Fla. Mr. Robert V. George, Route 3, will join his wife, daughter of the Moats, who left Circleville Dec. 11 to be with her mother on her release from St. Anthony's Hospital, St. Petersburg, Fla., to the Empress Motel there. The Moats and Georges will leave Florida Dec. 26 for the return trip to Circleville.

Solve Your Gift Problems At the Cosmetic Counters

POP WILL BE pleased with box of soap especially for men. French-milled, creamy, it has forest-fresh fragrance.

By JOAN O'SULLIVAN

Why not save yourself wear and tear when Christmas shopping by doing your gift-hunting at the cosmetic counter? There's something for everyone in this department — and this includes men! Don't kid yourself, they enjoy grooming aids, too.

Christmas gift items for them run the gamut from French-milled soap to after shave lotions.

All are specially scented to please male taste. They're decoratively done up, too, as is most cosmetic merchandise.

For gals of all ages, there's a glamorous choice of gifts. Glittering compacts, jewel-studded lipstick cases, fancy glass bottles of perfume and beautifully packaged bath aids seem favorite choices for big girls.

Beauty aids for little ones include accessories gayly packaged in containers that can be used for playtime.

For example, a stick containing three lightly-tinted lip pomades comes in a tube topped off with a flaxen-haired doll's head.

The cosmetic counter also yields a delightful assortment of inexpensive items that make marvelous stocking-stuffers.

As a cute idea, you might buy several of the more festive wrapped ones and hang them on the tree, where they'll be within reach when someone — and there's always someone — you've forgotten drops by for a visit.

Ever make skillet croutons for split pea soup? Butter slices of white bread on both sides and toast over low heat in a heavy skillet; now dice the toast into small squares and serve with the soup.

Half-cook bacon slices; arrange them over a baking dish of mashed sweet potatoes and place in a moderate oven until the potatoes are piping hot through and the bacon crisps.

Refreshments were served by Wayne Winner and Drexel Poling. Adults assisting with the party in addition to Mr. and Mrs. Poling were Mrs. Frank Hoffman, Mr. and Mrs. Jacques Sweeney and Mrs. Marshall B. Douthitt, Educational Assistant at First Methodist Church.

Stephanie Marion, MYF president, urged all members to participate in the all-church youth carol singing program on Tuesday evening.

Daughters of Union Veterans Hold Yuletide Dinner Party

Members of the Daughters of Union Veterans of the Civil War, 1861-1865, joined with members of the Past Presidents' Club of the organization for the annual joint Christmas dinner party held in Kerns Restaurant Tuesday evening.

The large dining table was decorated in a combination Christmas and patriotic motif for the dinner and social hour.

After dinner, a gift exchange brightened the festive occasion. The Christmas spirit was exemplified further by Mrs. Frank Webbe's reading of "The Christmas Story."

Mrs. Clara Delong presided at the meeting which was opened in ritualistic order.

Members voted to contribute to the Christmas Seal Campaign and Circleville Christmas Lighting Inc.

Election of officers was held and installation was scheduled for the next regular meeting on Jan. 3 in the home of Mrs. Clara Delong, 118 Seyfert Ave.

Mrs. C. O. Kerns, in the absence of Mrs. Mae B. Tolbert, presided at a short business session of the Past Presidents' Club.

The program featured Mrs.

Richard Moon's reading of an article entitled "The Story of Silent Night". The background information for Mrs. Moon's article was found on a Christmas card, received by Mrs. C. O. Kerns, which told of the experience which inspired the authors to write the Christmas carol.

Members attending the event were Mrs. Clara Delong, Mrs. C. O. Kerns, Mrs. Myrtle Trimmer, Mrs. James Pierce, Mrs. Irene Jenkins, Miss Nellie Palm, Mrs. E. A. Smith, Mrs. B. M. Wignel, Mrs. Frank Webbe and Mrs. Richard Moon.

Guid 38 To Meet

Members of Berger Hospital Guild No. 38 will meet at 8 p. m. Wednesday in the home of Mrs. David Cherrington, 1070 Sunshine St.

A Christmas party and gift exchange will make the occasion a festive one.

Guest speaker for the evening will be Mrs. Fred Tammany. Mrs. Tammany has chosen the topic, "Christmas in Hungary" as a seasonal theme for the evening's program.

The annual Christmas party of the Practical Nurses Assn. was held Friday evening in the Kerns Restaurant with 18 members attending.

The dining room and tables were attractively decorated for the occasion.

Following dinner, the group held a business meeting. Vice President Mrs. Frances Evans presided, substituting for the president, Mrs. Ethel McFarland.

Yearly reports of the treasurer, Mrs. Louise Garner, and the secretary, Mrs. Helen Wertman, were given.

Mrs. Evans then announced the 1962 officers who include: President: Mrs. Thelma Smith; Vice President, Mrs. Marguerite Stenson; Secretary, Mrs. Helen Wertman and Treasurer, Mrs. Jean Good.

The Board of Directors for 1961 consisting of Mrs. Edna Harlan, Mrs. Charlotte Hill and Mrs. Helen Wertman appointed the following to serve for 1962: Mrs. Lillian Kerr, Mrs. Jean Good and Mrs. Anna Gardner.

A vote of thanks was extended the outgoing officers and gifts of appreciation were given the President and Vice President.

Right Now's The Time For Holiday Clean-Up

By ELEANOR ROSS

Comes the holiday season and even the most indifferent homemaker wants her home in shining order. So a thorough clean-up job is in order.

How good it is that modern equipment and wonderful products have taken the terrors out of such a job! Since comparatively little effort is involved, it's more satisfying than ever to put the house in shape for the winter holidays.

By now you probably have had rugs and draperies cleaned and slipcovers put away, so next on the schedule is putting a holiday shine on wood furniture and floors, making mirrors gleam and polishing up all the silver, including any ornaments.

Wood floors take kindly to waxes that clean as well as polish. There is a liquid wax that is usually all that is needed to remove any grime and embedded dust from the floor. Used with an electric waxer or manual buffer, this makes for shining floors with a minimum of effort.

Don't forget that wax is an excellent protective for wood table tops and, in fact, for all wooden surfaces. We came upon a push-button wax that may be applied with a cloth or used directly on furniture that is not upholstered. Using this wax is as easy as dusting.

For a more subdued sheen that still provides protection, non-oily

Solve Your Gift Problems At the Cosmetic Counters

POP WILL BE pleased with box of soap especially for men. French-milled, creamy, it has forest-fresh fragrance.

By JOAN O'SULLIVAN

Why not save yourself wear and tear when Christmas shopping by doing your gift-hunting at the cosmetic counter? There's something for everyone in this department — and this includes men! Don't kid yourself, they enjoy grooming aids, too.

Christmas gift items for them run the gamut from French-milled

Senior MYF Has Yule Fete

Forty-one members of the Senior High Methodist Youth Fellowship of First Methodist Church participated in a Christmas party held on Sunday evening at Edgewood Farm, the home of the Sterling Poling family.

Recreation for the evening consisted of a variety of table games under the direction of Pam Sweeney and Steve Weiler.

A nativity scene and a cross were set up before the fireplace to make an altar for the worship service with which the party ended. The devotional period was conducted by Judy Lawson.

Refreshments were served by Wayne Winner and Drexel Poling.

Adults assisting with the party in addition to Mr. and Mrs. Poling were Mrs. Frank Hoffman, Mr. and Mrs. Jacques Sweeney and Mrs. Marshall B. Douthitt, Educational Assistant at First Methodist Church.

Stephanie Marion, MYF president, urged all members to participate in the all-church youth carol singing program on Tuesday evening.

Daughters of Union Veterans Hold Yuletide Dinner Party

Members of the Daughters of Union Veterans of the Civil War, 1861-1865, joined with members of the Past Presidents' Club of the organization for the annual joint Christmas dinner party held in Kerns Restaurant Tuesday evening.

The large dining table was decorated in a combination Christmas and patriotic motif for the dinner and social hour.

After dinner, a gift exchange brightened the festive occasion. The Christmas spirit was exemplified further by Mrs. Frank Webbe's reading of "The Christmas Story".

Mrs. Clara Delong presided at the meeting which was opened in ritualistic order.

Members voted to contribute to the Christmas Seal Campaign and Circleville Christmas Lighting Inc.

Election of officers was held and installation was scheduled for the next regular meeting on Jan. 3 in the home of Mrs. Clara Delong, 118 Seyfert Ave.

Mrs. C. O. Kerns, in the absence of Mrs. Mae B. Tolbert, presided at a short business session of the Past Presidents' Club.

The program featured Mrs.

How Weather Looks Today

COLUMBUS, Ohio (AP)—Official Weather Bureau summary of Ohio's weather outlook:

A low pressure system moving rapidly northeastward through West Virginia brought rain to all except the northwest counties of Ohio Sunday night.

Early this morning, fog was general over most of the northwest half of the state. Temperatures early this morning ranged from 33 at Findlay and Mansfield to 34 at Columbus and 44 at Marietta.

Occasional snow may be mixed with rain today and Tuesday as slightly colder air begins to push into the state. A much colder air mass will drop temperatures in the teens or low 20s by Tuesday night.

Youngstown Faces Grave Arson Problem

YOUNGSTOWN, Ohio (AP) — Michael J. Melillo, state arson investigator, says Youngstown "is faced with a dangerous situation and heavy financial loss" unless authorities capture a firebug who has been active the last two weekends.

Five places were hit on the South Side Saturday night. Damage to buildings and cars was estimated at \$5,000. This is the same area where eight automobiles were set afire Dec. 9.

Dobi Makes Return

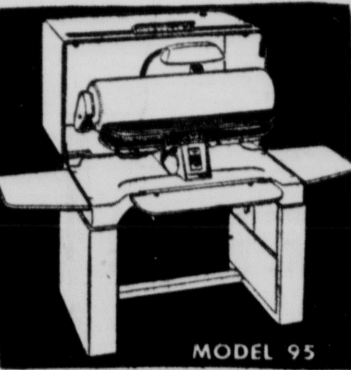

VIENNA, Austria (AP)—Istvan Dobi Jr., son of Communist Hungary's president who fled to the West in the 1956 Hungarian uprising, has returned voluntarily to his homeland, Vienna police reported. They said Dobi, 35, went to Budapest from Italy where he spent most of his exile.

Suspect Arrested

CINCINNATI (AP)—Police have arrested William Louis Smith, 38, in connection with the fatal stabbing of Roy Ford, 30, late Saturday night. Officers said Ford was killed after an argument over a woman.

Dear Abby...

By Abigail VanBuren

Ouch!

DEAR ABBY: I just read something in your column that made me grit my store-bought teeth. YOU say that dentures are every bit as good as one's own natural teeth. All I can say, Dear Abby, is that YOU must have all your own teeth and you ought to be ashamed of yourself for making such an erroneous statement.

BEEN THERE
DEAR BEEN: I have and I am. Forgive me.

DEAR ABBY: I am a girl in the ninth grade with a serious problem. I have tried to talk to my mother about it, but she just laughs at me. Abby, I am in love with one of my teachers. He is 27 and I am only 14. When he looks at me I feel like I was hit on the head with a million stars. This is no joke, Abby. I have never felt this way before. Should I talk to him about it? He isn't married.

HIT HARD
DEAR HIT: Don't talk to him about it. What you feel is not "love"—it is a crush on an older man. It happens to many girls your age, but they outgrow it. You've daydreamed yourself into a hopeless situation. Now, face reality. Settle down and have fun with kids your own age, concentrate on your school work, and think of your teacher only as a good friend.

DEAR ABBY: My name is Steve Zondlak and I am 12. I wrote a poem. If you like it, you may keep it.

GOD'S SHELTER
Let's make a bomb of love and prayer,
For take-off fuel, let's use God's air.

Let's send it out for all to share
Our plea, against nuclear despair.

Let's ask the leaders from all lands
For peace. And then
Let's all shake hands!

DEAR ABBY: Please advise me as to the proper conduct in this situation. My former husband, to whom I was married for ten years (over 20 years ago), is dying of a lingering illness. We have met on occasions since our divorce, and have been friendly. All former grievances have been long forgotten.

When he passes away, would it be improper for me to attend his funeral? I would not want to embarrass any of his family, or become the subject of gossip.

AN EX-WIFE
DEAR EX-WIFE: Since "all grievances" have been forgotten, I see no reason why you would embarrass his family or be the subject of gossip. Go, if you wish.

Everybody's got a problem. What's yours? For a personal reply, send a self-addressed, stamped envelope to Abby, in care of this paper.

Monday afternoon, Mrs. Austin Wilson and Mrs. Charles Phillips visited Mrs. Ed Wolfe at the Gospel Light Nursing Home in Chillicothe.

Mr. Clayton Newhouse entertained to dinner at Tink's Tavern on Friday, his daughter, Mrs. William Lerer, of Garwood, Tex., Mrs. Coral Becker and Mrs. Marvane Dresbach, both of Circleville.

The School program will be given in the auditorium Tuesday evening at 8 p. m. This will be "The Christmas Story in Music" by the Elementary Choir, Junior Hi Choir, and Senior Hi Choir.

The Ne Plus Ultra Sunday School Class will have their annual Casserole Dinner and Christmas Party at the Church on Wednesday evening.

The date was changed because of the School Program.

A Christmas party was held in the Eastern Star temple after the regular meeting, Tuesday evening.

Gathered around the lighted Christmas tree, the Christmas story from St. Luke was read by Mrs. Neil Morris, and "The Littlest Angel" was read by Mrs. W. S. Rhoades. A gift to the Chapter was presented by Mr. and Mrs. Charles Paul Junior past matron and Patron.

While singing Christmas carols the members placed on the tree, tiny red stockings with individual money gifts for the chapter.

Refreshments were served by the committee after which there was an exchange of gifts.

The Kindergarten Mother's Club met in the Social room of the Presbyterian Church on Monday evening with Mrs. Lyman Dresbach Jr., Mrs. Nick Kelley and Mrs. Pat Lovenshimer as hostesses.

The president, Mrs. John W. Boggs, held a business meeting and plans were made for the children's party to be held Friday Dec. 22.

Mr. Ralph McCormick, Principle of schools, gave a talk on Communism, followed by a discussion period.

Refreshments were served by the committee in charge.

Eighteen girls from the Tri-Hi-Y Club with their advisors, Mrs.

Charles Hardin and Mrs. Paul Jones, enjoyed a progressive dinner Tuesday evening.

The first course, an appetizer, was at Mrs. Harvey Large's with Mrs. Deb Carmean assisting. The salad course was served at Mrs. Sam Cloud's, the main course of the dinner was at Mrs. Marvin Jones. She was assisted by Mrs. Carroll Minor, Mrs. Walter Vollmar and Mrs. William Fout. The dessert course was served at Mrs. Clarence Lyons with Mrs. Howard Carroll as her assistant.

Eleven members of the Kingston Hospital Guild of Chillicothe Hospital held a dinner meeting at the Fox Farm, Wednesday evening.

The mystery gift brought by Mrs. Dwight Williams was received by Mrs. Ronald Leadingham. There was also an exchange of gifts.

Those present were: Mrs. Williams, Mrs. Leadingham, Mrs. Don Whitsel, Mrs. Don Jones, Mrs. Charles Immell, Mrs. Tom Rainey, Mrs. Marie Kerns, Mrs. Glenn Steele, Mrs. Robert Zwyer, Mrs. Adrian McVey, and Mrs. Paul Jones.

The favors which were Christmas corsages were prepared by Mrs. Steele and Mrs. Zwyer.

Guests on Sunday of Mr. and Mrs. Charles Phillips were her brother and wife, Mr. and Mrs. Don Kempton and children, Patty, Donnalee, Linda and Larry of Williamsport and Mrs. Kempton's nephew, Chuck Cox of Washington, C. H. and Mr. and Mrs. William Conway of Atlanta.

The theme for the evening was "Thanks be to God" on Monday evening when the Intermediate MYF of the Kingston Methodist Church had as their guests the Intermediate MYF and their counselors, Mr. Michael Kariekhoff and Mr. Howard Davies from the Circleville First Methodist Church.

Other guests were Mrs. Betty Douthett who was recreational leader at Lancaster Camp this past summer, and Mr. Bill Williams who was music director at camp.

After the devotions and program Mr. Williams led the boys and girls in group singing. Refreshments were served by the committee after which Mrs. Douthett led the group in games.

Alumni in Dozen Counties Seek To Curb Fullen Activity

COLUMBUS, Ohio (AP)—Alumni in a dozen Ohio counties are gathering support for an organized move to curb the activities of Ohio State University Alumni Secretary John B. (Jack) Fullen.

Fullen has been the controversial focal point on issues concerning Rose Bowl participation by the Ohio State football team. He is a long-time opponent of post season games.

Twenty-four alumni, including several life members of the university association, met Saturday in Columbus to organize the Alumni Committee for the Advancement of Ohio State University. Jack Cole of Dayton is serving as temporary chairman.

During the three-hour session, several alumni voiced opposition to Fullen's use of the alumni magazine, Ohio State University Monthly, to air his own opinions in the name of all alumni.

George Cole of Springfield told the convalesce: "I'm tired of getting the 'needle' from others on articles in the Monthly. Jack Fullen is a good secretary, but I object to having my views presented through his mouth. He has no right to speak for men since I don't agree with him."

Fullen had no comment on the committee's organizing nor its intentions.

Yule Lights Flash Along Berlin Wall

BERLIN (AP)—Thousands of Christmas tree lights went on at dusk Sunday along Berlin's Red wall, carrying the greetings of West Berliners to countrymen in the Communist East. The Communists replied over their loudspeakers with propaganda and jazz music.

Mayor Willy Brandt symbolically switched on the lights in a moonlit ceremony as a Communist loudspeaker blared in the background.

More than 3,000 West Berliners braved near-zero cold to hear Brandt say, "We need make no demonstrations. The light of these trees will speak our greetings to our countrymen."

More than 800 evergreens placed along the 25-mile barrier of concrete and barbed wire through the city were lighted at twilight. Almost no part of the border was out of sight of at least one.

William Long of Middletown, a member of the Butler County chapter of the alumni organization, asked "How can we be loyal to the university without being loyal to Jack Fullen?"

Lucas County Association President Edward C. Kern of Toledo told of a survey of his county's membership wherein 25 per cent voiced opposition to Fullen, 25 per cent said they agreed with his ideas and 50 per cent said they would be for Fullen if he stopped feuding with Woody Hayes, the football coach.

The Fullen-Hayes battle rated after the university's Faculty Council prevented Ohio State from accepting the Rose Bowl bid. Hayes accused Fullen of having used undue influence over the council and named him the man solely responsible for the council's action.

Although several at the meeting called for Fullen's ouster as alumni secretary, Kern cautioned the group to think carefully.

"Woody put us out on a limb by saying he was going to get Fullen fired," Kern said. "Our real thought has to be of advancing the university."

Dick Fredericks, president of the Allen County chapter, said his group had passed a resolution asking that the alumni secretary "refrain from meddling" in the policies of the university. "The feeling is high in Allen County against Fullen," he said.

"We no longer feel that Jack Fullen represents us and we're tired of defending what he has to say."

The group is scheduled to meet Jan. 13 in Columbus. At that time they hope to approve a statement of objectives being written by a subcommittee.

The World Today

WASHINGTON (AP)—India's Prime Minister Nehru, who made himself the world's No. 1 holier-than-thou moralizer and man of peace, can no longer act as the conscience of mankind.

He ranged from critical to indignant when Britain, France and Israel invaded Egypt, when the Soviet Union crushed the Hungarian revolt, and when the United States backed the rebel invasion of Fidel Castro's Cuba.

Now, after Sunday's Indian invasion of tiny Portuguese Goa, he is in the same boat with those he condemned. Goa has 1,537 square miles and 650,000 people on the southwest coast of India, a nation that has 450 million people.

Nehru may have achieved greatness in a number of ways as an Indian leader. But he has preached peace and avoidance of force so much that he has created an unreal image of himself.

When he was Mohandas Gandhi's disciple he accepted the master's doctrine of nonviolence as a political weapon simply because it happened to be the right policy at the time India was seeking freedom from Britain.

It was not something he believed in absolutely. He explained once: "The majority of us, I take it, judge the issues not on moral but on practical grounds, and if we reject the way of violence it is because it promises no substantial results."

This is the doctrine of opportunism. Taking Goa promised substantial results because it would be easy. Far-off Portugal could hardly make war on India to hold its possessions.

The results if India had attacked Red China would look very much less substantial since the Communists have 650 million people and a far greater military force.

Since 1959, when Red China occupied about 12,000 square miles of Indian territory — almost 9

times the size of Goa — Nehru simply has argued.

Nehru has been under great pressure in anticolonial India to seize Goa, which Portugal took in 1510 and still holds as a colony.

Next year is election year in India for Nehru and his Congress party.

The prime minister ignored President Kennedy's plea of last Thursday to avoid the use of force.

This was a switch for Nehru, who in the past could always be relied on to deplore the use of force anywhere. He has now adopted the philosophy that might makes right.

It wasn't Nehru's only switch. Portugal has no more right to Goa than Britain had to India or France to Indochina. All three took territory because they had the power to and held the native people under thumb.

This was imperialism. Nehru has been a life-long foe of it. But his action against Goa also is imperialism, although he may call it liberation.

If all this seems a contradiction in the man, perhaps it can be understood by this statement by Frank Moraes, an Indian journalist who knew Nehru a long time and five years ago wrote the story of his life: "It is interesting to see how his mind persuades his conscience of many things."

It explains how he can make a complete turnabout in six years.

Train Derailed East of Lima

LIMA, Ohio (AP)—Trainmen report it will be Wednesday before the twisted wreckage of 27 derailed freight cars is cleaned up, the Allen County sheriff's office said.

The derailment of the 78-car Erie-Lackawanna Railroad freight train tore up about 100 yards of main east-west tracks Saturday night. The east line was repaired Sunday night while work continued on the westbound track.

The train was en route from Marion, Ohio, to Huntington, Ind., home of its crew members, when the accident occurred about eight miles east of Lima.

One car spilled caustic soda on the wet ground, and two and possibly three railroad employees were burned when they came in contact with the strong alkaline substance.

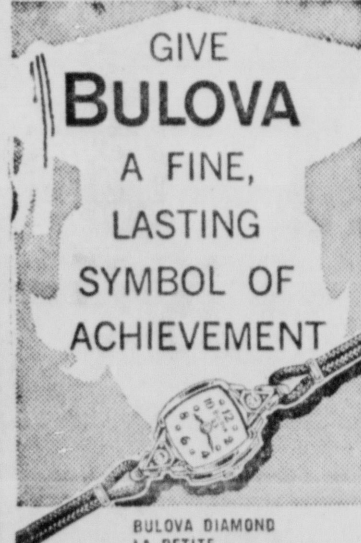

Clifford Agler, a flagman on the train, said a hotbox (overheated journal) apparently caused the derailment.

No damage estimate was available.

Man Shot Eight Times

CLEVELAND (AP)—A domestic quarrel ended in the death of Windrell Marshall, 52, who was shot eight times, police said.

Marshall's wife, Allien, 52, admitted emptying a .22-caliber revolver at her husband during a fight in their East Side home Sunday, police said.

Reynoldsburg Raiders Trip Circleville by 75-40 Margin

The switch from their own spacious court to Reynoldsburg's band-box-style gymnasium proved disastrous for Circleville's cage Tigers Saturday night, as the Raiders ground out a 70-45 win before a packed house.

The Tigers, losing their fourth game in five outings, stayed with their hosts through most of the first half, trailing by only seven points, 28-21, at the close of the first half. But the roof caved in on coach Jack Weikert's varsity five in the third quarter.

"We played it to win, and it just didn't pan out," the CHS mentor commented about a switch to a man-to-man defense the Tigers used in the second half. Reynoldsburg had little difficulty penetrating the new Bengal style for 23 counters in the third quarter and added 24 in the final period.

Leading the winners was rangy Mike Grayem, who blasted the nets for 34 markers on 13 field goals and eight of 10 free throw attempts. Circleville's best effort was turned in by Sam Weller, who tossed in 16 points on seven baskets and a pair of charity tosses.

CIRCLEVILLE trailed by just four counters, 15-11, after the first period. Most of the all-victorious Raiders' heavy scoring machinery didn't get into action until the last half as the Red and Black made a determined bid for the win.

Behind Weller, the Tigers best point producers were Luther Johnson with six and Garold Dade and Freddie Moore, with five each. Reynoldsburg's Borden and Lenny Powell racked up eight apiece to bolster Grayem's spectacular effort.

Weikert promised a week of stiff workouts for his charges before they met Greenfield in a South Central Ohio League test Thursday. "We are at the point now where we have to convert potential and promise into point production if we want to stay in the league race," the first-year CHS head hoop mentor said.

In the preliminary tilt, Circleville's reserves went down to their first defeat of the season, 36-31, as Bob Nease paced the Raider reserves with 15 counters. Tom Smith registered the only double figure score for the Tigers, hitting 10 points on four field goals and two charity throws.

The teams were deadlocked, 9-9 and 12-12 at the end of the first two periods, but Reynoldsburg pulled away to a 29-22 margin at the end of the third stanza.

Injured Worker Dies
ZANESVILLE, Ohio (AP) — Charles Alexander, 60, of Crooksville, a Perry County worker for the Ohio Highway Department, died here Sunday of injuries received when he was hit by a car in a construction area.

The accident happened last Wednesday on Ohio 75, a half-mile north of New Straitsville in Perry County. At that time, the driver, Mona Davis, 41, of New Straitsville, was cited for reckless operation and no driver's license, the Ohio Highway Patrol said.

The New York Mets will play 16 spring exhibition games against six other National League teams training in Florida. There 13 other exhibitions are with American League rivals.

OOPS! HE GOT THROUGH — Circleville's Freddie Moore (33) barrels toward the basket, ball in hand, as two Reynoldsburg defenders, Bob Marshall (30) and Dave Borden (14), whirl in unified surprise. John Thompson (34) rushes in at right to assist on defense. The Raiders took a convincing 70-45 decision, with most of their big breaks coming in a 23-point third quarter. (Photo by Ron Warren)

OSU. Cincinnati Eye 2 Tilts This Week; Dayton Billed Once

By DAVE HARRISON
COLUMBUS, Ohio (AP)—Ohio's basketball triumvirate — Ohio State, Cincinnati and Dayton — make up nearly a fourth of the Buckeye State's cage card this week as the collegiate dribble and shoot boys take a break for Christmas.

Only 22 games are scheduled during the week, but of the total Ohio State's topped-ranked Buckeys are involved in two games: Cincinnati, No. 2 in the nation, plays Dayton's tall and talented Flyers play once.

With the exception of Akron and Muskingum, the Big Three of Buckeye basketball are the only unbeaten teams among the state's 41 collegiate cage teams.

All three posted their fifth victories of the season Saturday in convincing fashion.

Ohio State's John Havlicek, who has been drafted to play pro football, stole the spotlight from All-America Jerry Lucas in the Bucks' 92-72 win over Loyola of Chicago.

The 6-foot-5 senior from Lansing set a career scoring mark for himself when he netted 30 points. Havlicek also grabbed 14 of the Bucks' 69 rebounds. Lucas, sent sprawling several times during the rough contest, finishing with 20 points and 18 rebounds.

Cincinnati notched its 27th win in a row—its 62nd consecutive home-court victory — when the Bearcats swamped Marshall 77-49. Fred Dierking topped the scoring with 19. He and Paul Hogue each grabbed 14 rebounds.

Dayton's Gary Roggenbuck passed the 1,000-point mark in the Flyers' 76-60 conquest of New Mexico State. The 6-foot-6 senior from Cleveland scored 13 points to pass the milestone. Dayton's two 6-foot-10 giants—Bill Westerkamp and Bill Chmielewski—accounted for 43 points. Westerkamp, a junior from Cincinnati, had 25, and Chmielewski, a sophomore from Detroit, had 18.

Tonight, Ohio State tangles with tough St. Louis on the Billikens' floor and Cincinnati journeys to Wichita, a team the Buckeyes earlier whipped 85-62. Wednesday, Regis will travel to Dayton. Friday Cincinnati will be at home against Colorado and the Bucks meet Penn State next Saturday in Columbus.

Only two conference games are on tap this week and neither will have any bearing on the standings.

Muskingum, with four victories in as many starts, leads the Ohio Conference. Wittenberg's defense-

Press Defense Gives Bisons 3rd Triumph

A sustained pressing defense in the second half made the difference for Scioto's Buffaloes as they wrapped their third victory against four losses, 55-49, Saturday night at Hamilton Twp.

The Bisons of coach Charles Baxter were down by one marker, 7-6, at the end of the first period and held a 23-23 tie at the half. Scioto pulled away, though, 38-34 in the third quarter and maintained a small but secure lead the rest of the route.

Terry Melvin put on the top scoring performance for the winners, stripping the nets for 16 points on seven field goals and two free tosses. Jim Albright contributed 14 counters and Bob Whiteside chipped in with 11.

Much of the work in building the win was handled by Albright and Alloy, who stole the ball from opponents on several key plays. Whiteside hauled down 19 rebounds. Oates and Huddy led Hamilton's attack with 13 markers apiece.

In the preliminary, Scioto's reserves took a 40-38 win in double overtime as John Rush dropped in the deciding bucket.

minded Tigers went on a scoring spree Saturday to defeat Mount Union 57-40 to move into a tie with Akron for second place in the 15-team loop. The 57 points were the most the Tigers have scored so far. Akron drubbed John Carroll 90-59 in a non-conference game.

Ashland's Eagles took over the top spot in the Mid-Ohio League on Saturday's 80-65 win over Wilmington. The loss was the Quakers' first in three league games and dropped them to second place with Defiance.

The slow-starting Mid-American Conference has had only two games played. Toledo joined defending champion Ohio University in the win column Saturday with a 58-52 win over Kent State.

Miami, off to one of its poorest starts in years, meets Marshall tonight. The Redskins have won only one game in five.

Bethany, Washington & Jefferson and Case Tech are tied for the lead in the Presidents' Conference with 3-1 marks.

Ohio teams have won 66 of 101 games with out-of-state opponents so far. The Buckeye cagers have run up 7,623 points to the "foreigners' 6,897.

Scioto's Buffaloes defeated Jackson, 61-47, Saturday night. For the winners the story was told by some hot first half shooting. They shot an almost fantastic 51 percent from the field in the first two stanzas as they piled up a 40-23 halftime lead.

Profit Expected In Bowl Contest

HOUSTON (AP)—A final audit of the Bluebonnet Bowl's box office probably won't be finished for several weeks, but the bowl president said today he expects the figures to be black again.

Bob Abercrombie, president of the bowl association, said he anticipates a profit on Saturday's Rice-Kansas game. He said the three-year-old bowl has never lost money. Proceeds go to charity.

Kansas, a three-point underdog, put on a second half rush to stun Rice, 33-7, before 52,000 fans.

Kansas had a 6-3-1 record before the bowl game. Rice was 7-3 for the season.

Grady Wallace holds the South Carolina one-game scoring record — 54 points against Georgia in 1956.

PHILADELPHIA (AP) — Syracuse beat Miami 15-14 Saturday in a cracking good Liberty Bowl football game, but apparently even top-flight performance is no match for bad weather.

Ambrose (Bud) Dudley, head of the bowl association, said that unless he gets financial help the third game Saturday could have been the last.

Dudley suggested that business and industry buy blocks of tickets as a means of preserving the game in Philadelphia. He indicated there was a possibility he might promote the game elsewhere.

Only 15,712 showed up for Saturday's Syracuse-Miami game played in sub-freezing temperatures. Even with the \$100,000 television money contributed by the National Broadcasting Co., Dudley and his associates will have to absorb a sizeable loss.

The game was everything a football fan could desire with Ernie Davis, Syracuse's All-American halfback, putting on a great show. The 210

Revamped Giants Eastern Champs

By DON WEISS
Associated Press Sports Writer
The New York Giants, rebuilt by trades, rookies and a first-year coach, are champions of the National Football League's Eastern Conference for the fourth time in six years and aiming at the title game against Green Bay's powerful Packers at Green Bay on Dec. 31.

It will be a replay of a regular season meeting at Milwaukee, Dec. 3, which the Packers won 20-17, but rookie coach Allie Sherman of New York thinks the result may be different.

"Green Bay is the best club we've played," Sherman said after the Giants wrapped up the title Sunday in a 7-7 tie with the Cleveland Browns at Yankee Stadium. "But we'll be better next time, both physically and mentally. We'll be loose from now on."

The Giants may shudder for a day or two before they "loosen up," regardless of what Sherman may think. Except for a flubbed pass by sure handed Ray Renfro, the New Yorkers would instead be spending this week getting ready for a division playoff with the Philadelphia Eagles.

The Eagles, needing a victory over Detroit and a New York loss to tie the Giants, did their part—beating the Lions 27-24 with 10

points in the last four minutes for a 10-4 record. But the Giants held them off by a half game at 10-3-1 because the Browns blew a sure victory over New York when Renfro dropped a 34-yard pass from Milt Plum on the Giants' 8-yard line with about three minutes to play.

New York, rebuilt with deals that brought Del Shofner, Y. A. Tittle, Joe Walton and Erich Barnes and the addition of rookies Greg Larson, Bobby Gaiters and Joel Wells, scored its only touchdown in the first period on Tittle's 7-yard pass to Wells. Cleveland got even when Plum hit Leon Clarke on a 38-yard pass play in the third quarter. Thereafter, the tremendous punting of Don Chandler, the rugged Giant defense and Renfro's blunder kept the teams in a knot.

Green Bay 11-3, which clinched the Western Division title two weeks ago, closed out with a 24-17 triumph over Los Angeles; Washington snapped a 23-game winless streak, 34-24 over Dallas; St. Louis blanked Pittsburgh 20-0, and the Chicago Bears, with Billy Wade coming off the bench and passing for 355 yards and four touchdowns, whipped Minnesota 52-35 in other season closing games. Baltimore edged San Francisco 27-24 Saturday after-

noon in their closer.

Sonny Jurgensen threw for three touchdowns and pushed his record passing yardage to 3,716 and his season TD total to 32. His passing also set up a 10-yard field goal by Bobby Waiaston, now the NFL career scoring leader with 833 points. That won it for the Eagles with 25 seconds remaining.

Dick James scored four touchdowns and rookie Norm Snead passed for one TD and scored another as Washington ended its winless string. Ironically, the Skins started their nosedive after beating Dallas on Oct. 9, 1960. A 17-yard run by Elijah Pitts, who helped Tom Moore fill in for the absent Paul Hornung, won for Green Bay at Los Angeles and overcame two sparkling touchdowns by the Rams' Dick Bass. Bass raced 55 yards from scrimmage and 90 yards on a punt return to shove Los Angeles into the lead before the Packers came back on a 28-yard field goal by Ben Agajanian and Pitts' game-winning run.

In the other games: Sam Echeverry passed for two touchdowns as the Cards wound up at 7-7 with their third straight victory; and Wade's passing enabled the Bears to overcome a quick 14-0 Minnesota lead.

Tigers End Season Tops In Batting

BOSTON (AP)—The Detroit Tigers, who finished last in team batting with a .238 average in 1960, were the American League pace-setters last season, the official statistics released Sunday disclosed.

The Tigers hit a collective .2663 and edged the Cleveland Indians, who wound up at .2661. The Chicago White Sox were third with .265 followed by New York .263, Boston and Baltimore .254 each, Minnesota .250, Kansas City .247, Los Angeles .245 and Washington .244.

Detroit's cause was aided by first baseman Norm Cash. He increased his mark 75 points to capture the circuit's batting title with a .361 percentage. Cash shared honors with Roger Maris of the Yankees. Maris had 61 home runs, a record for one season, and also led in runs batted in with 142.

Al Kaline of Detroit was second in the batting competition at .324 and Jim Piersall, acquired by Washington from Cleveland last month, was third with .322. Only four other players among those eligible for the title with at least 302 total appearances wound up with averages of .300 or higher. They were Mickey Mantle, New York, .317; Earl Battey, Minnesota and Jim Gentile, Baltimore, .302 each and Tito Francona, Cleveland, .301.

Cash, a first baseman, had the most hits, 193, and Kaline, an outfielder had the most doubles, 41. Jake Wood, Detroit rookie, was the leader in triples with 14 while Luis Aparicio of the White Sox stole 53 bases to lead in that department for the sixth straight campaign.

Strike Is Settled
CINCINNATI (AP)—Some 300 workers were to report to their jobs today at the Trailmobile Inc. plant in nearby Oakley after settlement of a month-long strike.

Union officials said the new contract provides for pay raises of 18 cents an hour and for improvements in pensions, supplementary unemployment benefits, insurance and working conditions. Pay under the old contract was \$2.63 an hour.

Pedestrian Deaths in Ohio Reach Highest Toll of Year

By THE ASSOCIATED PRESS
Pedestrian deaths in Ohio reached one of the highest tolls this year during the weekend.
Of at least 13 traffic fatalities between 6 p. m. Friday and midnight Sunday, seven of the victims were on foot.
In one accident, south of Youngstown, two young brothers

Tiger Matmen Surge Past West Team

Circleville High School's varsity matmen, rocketing along the comeback road after losing their opener Dec. 8 to Dayton Mad River, flattened Columbus West 35-8 in the first home bout of the wrestling season Saturday night, winning all but two bouts.

Four Tiger grapplers recorded pins for five points in their matches. Jack Cook pinned West's Fale in only 34 seconds in the 112-pound class. Tom Bivins held his man down in 1:43 of the 138-pound bout and Tim Moore pinned Colvin in 58 seconds in the 154-pound match.

Dessell (Duke) Effe, Tiger 175-pound representative, pinned Pennington in 47 seconds. Clemmer recorded West's only pin in the heavyweight division, nailing Howard Fletcher in 1:50.

Snyder claimed the loser's only other score, taking the measure of Leroy Hagen by a 3-0 count in the 165-pound scrap.

IN BOUTS worth three points each won by the Tigers:

103 — Terry Kifer over Brooks; 120 — David Troutman over Ash; 127 — Tim Mogan over Walters; 133 — Dever Jolly over McGuerrey; 145 — Ray Taylor over Byerly.

Coach John Current's mat squad returns to action at 4 p. m. Friday in a home encounter with Groveport. The CHS grapplers take a vacation until Dec. 30, when the Circleville Invitational opens with six outfits competing for the championship.

Bronco Five Overwhelms Triad, 83-55

Ashville's high-flying Broncos added another bit of lustre to a sparkling basketball campaign Saturday night, overwhelming Darby Valley League foe Triad 83-55 as Sonny Roof dropped in 25 points.

The Broncos made their move after a first period which ended with Triad clinging to a one point 21-20, advantage. Ashville advanced to a 43-34 lead by the half and cut loose in the third quarter to assume a 66-40 margin.

Dick and Dan Hollenback, both in double figures on scoring, combined with Tom Rathburn, who hit 12 points, to dominate rebounding work and provide most of the defensive effectiveness.

Ashville bucketed 33 of 78 field goal attempts for 46 per cent while Triad managed 38 per cent with 26 twopointers. Rutan led the losers with 18 counters. Loudon registered 17 while Markin collected an even dozen.

In the opener, Ashville's reserves turned back Triad by a convincing 53-40 count.

Miss Alberghetti Now Looks Behind Doors Once Closed

By BOB THOMAS
AP Movie-TV Writer
HOLLYWOOD (AP) — A new Anna Maria Alberghetti is back in town for a glance behind the doors that once were closed to her.

Anna hit the big time as the waif Lili in "Carnival" on Broadway. She is glowing evidence of what a difference a hit play makes.

"Before I left Hollywood, I was earning good money, but many doors were closed to me," she remarked. "I decided that if I was to open those doors, I would have to take a chance. And going to Broadway is a chance because if you don't make it, the doors can be more tightly shut."

She made it, and the results have been gratifying.

"Before, I was known as a singer," she said. "Now I am also known as an actress. The whole field of the stage is now open to me. And so are movies."

Anna is here on a two-week pass from the employ of David Merrick, producer of "Carnival." He has been termed the Abominable Snowman, and seemed eager to live up to the title when Anna was ill and out of the show publicly that her understudy did earlier this year. He proclaimed a better job.

The Italian-born soprano returned to the show after five days in the hospital and five at her apartment. Oddly, she displayed no rancor toward Merrick. She repeated their conversation.

"I had to protect my show," said the producer.

"David, you should let me in on these publicity stunts, so I can go along with them," she said. "I'm certainly not against publicity. But please, let's do something with a little dignity."

"How about the six-month extension?" said he.

Anna sees the whole thing as Merrick's plot to get her to sign for another half year in the show after her June 30 deadline. She said he was doubly disappointed;

that she has made no move to re-sign; that she failed to flare back when he slurred her performance.

"You're not like Callas," he said disappointedly.

Despite the beef, relations between Anna and Merrick are surprisingly good. She said that he came backstage on the last night before her vacation and gave her a hug and kiss.

"Careful, David," she told him. "You'll ruin your publicity."

It was on that last night that she realized she needed a vacation. She was all tears after the curtain went down and sobbed to her replacement, "Take care of my puppets."

King Is Scheduled For Cincy Address

CINCINNATI (AP) — The Rev. Martin Luther King Jr. was scheduled to address a freedom rally at Zion Baptist Church tonight.

The integrationist leader was arrested Saturday during mass demonstrations at Albany, Ga., but Baptist ministers here said King's secretary told them he expected to be freed in time to make the scheduled speech.

The world's largest Bible reading session is conducted each year by the American Bible Society on Christmas Day. More than 100,000,000 persons throughout the world read Bible passages suggested by the society.

Pedestrian Deaths in Ohio Reach Highest Toll of Year

By THE ASSOCIATED PRESS
Pedestrian deaths in Ohio reached one of the highest tolls this year during the weekend.
Of at least 13 traffic fatalities between 6 p. m. Friday and midnight Sunday, seven of the victims were on foot.
In one accident, south of Youngstown, two young brothers

were killed as they stood in the highway next to their father's gasless car. Another auto, whose driver said he didn't see them, struck the brothers and a third youth, who was injured critically.
And a 14-year-old girl, also from Mahoning County, met death in similar fashion the next day as she was crossing a road near her home.
In adjacent Columbiana County, a 6-year-old boy was struck and killed by a car as he too tried to cross a highway.
Two other accidental deaths this weekend—both in the miscellaneous category—also involved children.
A 7-year-old Warren County boy was trying to cross a frozen creek near his home when the ice broke and he drowned.
A 15-year-old Marion boy and a 13-year-old friend were chasing each other through the latter's home. The 13-year-old, however, had secured a shotgun. It went off and the 15-year-old fell dead.
The fatalities:
Saturday
John Yarosh Jr., 16, and his brother, Michael, 12, Poland, hit by a car as they stood next to their father's stalled auto on Ohio 164 just west of their Mahoning County community.
David B. McCoy, 31, Burbank, when his car left a Wayne County road near there and crashed into trees and a utility pole.
Robert Tolston, 6, Kensington, struck by a car as he was crossing Ohio 664 a mile south of that Columbiana County town.
Lonnie Rider, 15, Marion, wounded in the abdomen with a shotgun charge as he and a neighbor boy, who secured the weapon, playfully chased each other through the latter's home.
Gary Campbell, 7, Mason, drowned in five feet of water when he tried to cross a frozen creek near his Warren County home and the ice gave way.
Alice Spurlock, 44, Dayton, when she apparently didn't see the waving lantern of a watchman and drove her car past him into the path of a freight train there.
Millard Meadows, 43, Portsmouth, struck by a car as he was crossing Ohio 74 west of there.
Joseph O'Brien, 20, Fort McClellan, Ala., a sophomore at Ohio State University, when his car collided with a bus in Columbus.
David Disser, 22, Cincinnati, when he almost fell from his car there while trying to close the door and the vehicle swerved into a tree, the door striking his head.
John J. Wolfe, 61, Warren, struck by a car while crossing a street there.
Mrs. Helen Quilter, 70, Toledo, struck by a car as she crossed a road there.
Sunday
Robert Stamler, 18, Cincinnati, of injuries received Saturday when he apparently was thrown from his car after it hit a divider strip there.
Susan Haviland, 14, Rt. 1, Canfield, hit by a car as she was crossing Ohio 46 a mile north of that Mahoning County community.
Floyd B. McClay, 49, Star Route, Lucasville, of injuries received Saturday when his car and another collided on Ohio 104 not far from that Scioto County village.
Philip L. Moore, owner of the Tally-Ho Carry-out, N. Court St., will appear before the Ohio Board of Liquor Control this week to face charges of violating Ohio liquor laws.
Moore's establishment is being charged with the sale of malt liquor to a minor. The violation occurred March 3, 1961, and the arrest was made by a state liquor board agent.

Tiger Matmen Surge Past West Team

Circleville High School's varsity matmen, rocketing along the comeback road after losing their opener Dec. 8 to Dayton Mad River, flattened Columbus West 35-8 in the first home bout of the wrestling season Saturday night, winning all but two bouts.
Four Tiger grapplers recorded pins for five points in their matches. Jack Cook pinned West's Fale in only 34 seconds in the 112-pound class. Tom Bivins held his man down in 1:43 of the 138-pound bout and Tim Moore pinned Colvin in 58 seconds in the 154-pound match.
Dessel (Duke) Effe, Tiger 175-pound representative, pinned Pennington in 47 seconds. Clemmer recorded West's only pin in the heavyweight division, nailing Howard Fletcher in 1:50.
Snyder claimed the loser's only other score, taking the measure of Leroy Hagen by a 3-0 count in the 165-pound scrap.

IN BOUTS worth three points each won by the Tigers:
103 — Terry Kifer over Brooks;
120 — David Troutman over Ash;
127 — Tim Mogan over Walters;
133 — Dever Jolly over McGueary;
145 — Ray Taylor over Byerly.
Coach John Current's mat squad returns to action at 4 p. m. Friday in a home encounter with Groveport. The CHS grapplers take a vacation until Dec. 30, when the Circleville Invitational opens with six outfits competing for the championship.

Bronco Five Overwhelms Triad, 83-55

Ashville's high-flying Broncos added another bit of lustre to a sparkling basketball campaign Saturday night, overwhelming Darby Valley League foe Triad 83-55 as Sonny Roof dropped in 25 points.
The Broncos made their move after a first period which ended with Triad clinging to a one point 21-20, advantage. Ashville advanced to a 43-34 lead by the half and cut loose in the third quarter to assume a 66-40 margin.
